Broken Ivy Logan 2019-06-26 BROKEN BUT NOT LOST The dark shadow cast by an ancient prophecy shatters an innocent family, but all that is broken is not lost and will rise again. Half-blood sorceress, Talia, had a unique childhood. Instructed in combat skills and trained to escape detection, she was schooled to face an unknown menace. Yet, when her family's worst nightmare comes to pass, Talia finds her protected life spinning out of control. Everything she believes in, and everyone she loves, is cruelly snatched away. Talia is forced to flee the attentions of a mad king and denied her supernatural legacy. She chooses the path of retribution, devoid of love and friendship, but learns that sometimes love is received even if not sought. Broken is a tale about Talia's coming of age, reuniting with her family and seeking vengeance. Most of all it chronicles Talia's rise from the ashes and her journey into finding herself again. Read Talia's epic saga of love, sacrifice, friendship, and discovering the hero within set against a background of time travel and supernatural forces.

The American and English Railroad Cases Lawrence Lewis 1890

Breach of Crust Ellery Adams 2016-04-05 Plate up another slice of Southern magic and mystery from the New York Times bestselling author of Lemon Pies and Little White Lies . . . PIE SHELLS AND DEATH BELLES Ella Mae LeFaye 's delicious pies are still drawing long lines—as well as the attention of Beatrice Burbank, president of the Camellia Club, a philanthropic organization comprised of high-society Southern ladies from the charming and affluent town of Sweet Briar, Georgia. To ensure the success of their centennial dessert cookbook, Bea hires Ella Mae to teach the tasty tricks of her trade to the club 's members at their annual retreat. Eager to work on new recipes for customers with food allergies and dietary restrictions, Ella Mae readily agrees. But when Ella Mae finds Bea 's body floating in Lake Havenwood, she wonders what she 's gotten herself mixed up in. Someone certainly wanted Bea to eat humble pie, and the retreat offers no shortage of unsavory characters, including Ella Mae 's longtime nemesis, Loralyn Gaynor. Ella Mae definitely doesn 't need magic to tell her she must find the killer before someone else gets panned.

The Troop Nick Cutter 2014-02-25 WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING “The Troop scared the hell out of me, and I couldn 't put it down. This is old-school horror at its best.” –Stephen King Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another. Part Lord of the Flies, part 28 Days Later—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

Breach Annie Holmes 2016-08-01 breach - noun: An act of breaking or failing to observe a law, agreement, or code of conduct. A gap in a wall, barrier, or defence, especially one made by an attacking army. breach - verb: Make a gap in and break through (a wall, barrier, or defence). (Of a whale) rise and break through the surface of the water. 'The Jungle is like a laboratory.' In the refugee camp known as 'The Jungle' an illusion is being disrupted: that of a neatly ordered world, with those deserving safety and comfort separated from those who need to be kept out. Calais is a border town. Between France and Britain. Between us and them. The eight short stories in this collection explore the refugee crisis through fiction. They give voice to the hopes and fears of both sides. Dlo and Jan break into refrigerated trucks bound for the UK. Marjorie, a volunteer, is happy to mingle in the camps until her niece goes a step too far. Mariam lies to her mother back home. With humour, insight and empathy breach tackles an issue that we can no longer ignore. breach is the first title in the Peirene Now! series. This exciting new series will be made up of commissioned works of new fiction, which engage with the political issues of the day. In breach, the authors beautifully capture a multiplicity of voices - refugees, volunteers, angry citizens - whilst deftly charting a clear narrative path through it all. Each story is different in tone, and yet they complement one another perfectly. Taken as a whole, this stands as an empathetic and probing collage, where the words 'home', 'displacement' and 'integration' come to mean many things as the collection progresses to a moving finale. Why Peirene chose to commission this book: 'I have commissioned Olumide Popoola and Annie Holmes to go to the Calais refugee camps to distil stories into a work of fiction about escape, hope and aspiration. On another level, however, this work will also take seriously the fears of people in this country who want to close their borders. It 's that dialogue that isn 't happening in real life. A work of art can help to bridge the gap.' Meike Ziervogel, publisher 'This is what fiction is for. These stories refresh difficult territory in ways that other writing cannot reach. Tender, tragic, funny (sometimes), persuasive.' Sara Maitland, writer

REBEL'S CREED Daniel Greene 2021-10-29 With one simple myth, nations burned. Under the Almighty, an empire has been forged, bringing peace to the once-divided continent. But now, a spark of truth threatens to ignite the religion of lies. Chapman unknowingly brought the Seventh Precinct to their demise. Now Officer Holden Sanders, known throughout the Capital City as the survivor, seeks the truth of how so many he held dear were slaughtered. But when it comes to light his former mentor might still draw breath, the Officer of God is forced to wage war against the Almighty itself.

Infraction K. I. Lynn 2019-05-10 My will to live is weak. By all accounts, I should be dead, but somehow I made it through. Broken, battered, and barely hanging on, I'm forced to rely on the man who destroyed me. Recovery is a long road, and I'm not sure I can take it by his side, so I punish him, refusing to grant forgiveness. But it's still there--the spark. That incessant pull that I can't escape. The deepest scars of our hearts spill out. All the secrets we kept locked away are laid bare. Everything is different. Time is running out. All the infractions are catching up to us.

The Breach Patrick Lee 2009-12-29 "Audacious and terrifying--and uncannily believable." --Lee Child New York Times bestselling author of the Jack Reacher series, Lee Child, was blown away by *The Breach*--and you will be, too! A novel of unrelenting suspense and nonstop surprises, *The Breach* immediately rockets author Patrick Lee into the V.I.P. section of the thriller universe. A treat for Jack Bauer ("24") fans and "X-Files" aficionados, it is a white-knuckle roller-coaster ride that combines the best of Dean Koontz and Michael Crichton with a healthy dollop of Indiana Jones thrown into the mix--the perfect secret agent/government conspiracy/supernatural adventure.

The Sonic Breach Victor Appleton 2019-07-02 The Hardy Boys meets Alex Rider in this second novel in a brand-new series starring everyone's favorite inventor--Tom Swift! Tom gets to take all sorts of cool classes at the Swift Academy of Science and Technology, but robotics may be the one he is most excited for. Their teacher is holding a battling robot tournament, and Tom has to build a machine that will come out on top. With the final battle coming up, Tom and his friends need as much time as possible to refine their masterpiece. But the rest of their teachers have been giving so many pop quizzes that they can barely focus in class, never mind concentrate on the tournament. Naturally, everyone is frustrated with the trend..until a mysterious new phone app appears. If students get pop quizzes during first period, they can warn everyone else about it by getting their phones to emit a high-pitched sound--a mosquito alarm--that adults can't hear. Tom is unsure about the whole thing, but it technically isn't cheating, right? But when someone changes the app to break all the rules, the ethics aren't debatable anymore. The longer the perpetrator remains unknown, the more harshly teachers treat all the students, and the pressure won't stop until Tom and his friends track down the person behind the app takeover.

Breach of Trust DiAnn Mills 2010-10-13 2010 Christy Award winner! 2010 Inspirational Readers Choice Award winner! Paige Rogers is a former CIA agent who lost all she treasured seven years ago when her entire team was killed in a covert mission. She blames their leader--Daniel Keary--whom Paige believes betrayed them. Disillusioned and afraid for her life, she disappeared and started a new life as a small-town librarian. But when Keary announces his candidacy for governor of her state, he comes after Paige to ensure that she won't ruin his bid for office. He threatens everything she holds dear, and Paige must choose between the life of hiding that has become her refuge . . . Or risking everything in one last, desperate attempt to right old wrongs.

Dam Breach Modelling and Risk Disposal Jian-Min Zhang 2020-04-20 This proceedings book gathers contributions presented at the First International Conference on Embankment Dams (1st ICED, Beijing, 5-7 June 2020), which was the inaugural conference of the International Society of Soil Mechanics and Geotechnical Engineering (ISSMGE) Technical Committee TC210 on Embankment Dams. The contributions address five themes: (1) case histories on the failure of embankment dams and landslide dams; (2) dam failure process modelling; (3) soil mechanics for embankment dams; (4) dam risk assessment and management; and (5) monitoring, early warning and emergency response. These proceedings offer a unique resource that systematically presents recent dam breaching cases, their social impact, associated risk management strategies, and disposal methods for failed dams. It is an excellent reference guide for dam and levee engineers, flood safety officials, and emergency management agencies.

Beyond the Breach Ed Brisson 2022-03 Life sucks for Vanessa. Her mother just died and her boyfriend is cheating on her (with her own sister!). To clear her mind, Vanessa is taking the California road-trip that she's been dreaming about for years. Her postcard-perfect drive through old growth forests quickly turns when THE BREACH hits. A bizarre anomaly in the sky plunges California into a nightmare-world populated with strange, extra-dimensional creatures. Now Vanessa, along with Dougie, an orphaned child, and Kai, a strange, fuzzi-ball of a beast, must fight to survive if they ever hope to make it back home. If there's even a home to return to. Written by Ed Brisson (Uncanny X-Men, Ghost Rider, Old Man Logan) and illustrated by Damian Couceiro (Old Man Logan, Iron Fist, X-Force), BEYOND THE BREACH is a fantastical sci-fi road trip adventure about perseverance and finding family in unexpected places.

Fish 'n Chips Christopher Tupa 2020-10-18 The creatures are loose! There has been a major containment breach at one of the SCP Foundation's top-secret facilities and a ton of monsters, creatures and weird things have escaped. To help capture all of the escapees, the Foundation has formed several teams to go and track them down. Martha, along with Rocky and Carter (Fish 'n Chips), are one of the new teams and this is their very first mission. Too bad it doesn't go according to plan, at all. Day one of their assignment is full of laughs, mystery, adventure and danger. Join Martha and her crew as they track down and capture escaped SCPs, while they try to stay alive in the process. Content relating to the SCP Foundation, including the SCP Foundation logo, is licensed under Creative Commons Sharealike 3.0 and all concepts originate from <http://www.scp-wiki.net> and its authors. This artwork, being derived from this content, is hereby also released under Creative Commons Sharealike 3.

The History Book Humphrey Hawksley 2007-08-16 Kathleen "Kat" Polinski--burglar, hacker, undercover agent--returns home from a deadly mission at the Kazakh Embassy in Washington, DC, to find a cryptic message from her sister. Soon after, she

learns that her sister Suzy has been murdered--shot with a highpowered rifle in a desolate spot 100 miles outside of London. What was Suzy doing there? Did it have anything to do with the controversial Project Peace? An international security agreement, Project Peace allows constant surveillance and loss of individual freedom in the name of stability and order. Kat must use every weapon at her disposal, from martial arts to computer hacking, to bring her sister's killer to justice. But in her search for answers, she discovers an increasingly plausible threat that could destroy the world as we know it....

War Against the Mafia Don Pendleton 2014-12-16 The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them--victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

Breach W.L. Goodwater 2018-11-06 The first novel in a new Cold War fantasy series, where the Berlin Wall is made entirely of magic. When a breach unexpectedly appears in the wall, spies from both sides swarm to the city as World War III threatens to spark. AFTER THE WAR, THE WALL BROUGHT AN UNEASY PEACE. When Soviet magicians conjured an arcane wall to blockade occupied Berlin, the world was outraged but let it stand for the sake of peace. Now, after ten years of fighting with spies instead of spells, the CIA has discovered the unthinkable... THE WALL IS FAILING. While refugees and soldiers mass along the border, operatives from East and West converge on the most dangerous city in the world to either stop the crisis, or take advantage of it. Karen, a young magician with the American Office of Magical Research and Deployment, is sent to investigate the breach in the Wall and determine if it can be fixed. Instead, she discovers that the truth is elusive in this divided city--and that even magic itself has its own agenda. THE TRUTH OF THE WALL IS ABOUT TO BE REVEALED.

Breach of Promise Perri O'Shaughnessy 2000-01-07 Broken hearts. Broken promises. Deadly consequences. In glitzy Lake Tahoe, couples break up every day. But few are as successful as Lindy and Mike Markov, who built a \$200-million business together--before Mike took up with a younger woman. Now he's claiming he doesn't owe Lindy a dime since they never married. Attorney Nina Reilly, struggling to make a living in her one-woman office and raise a young son alone, agrees to take Lindy's case. Nina knows winning is a long shot, even with a brilliant jury consultant and a palimony expert on her side. It's the kind of case--full of passion and explosive secrets--that could make a fortune for a young lawyer. Or drive someone to commit murder--for love, money . . . or the right verdict. New York Times bestselling author Perri O'Shaughnessy has created a wonderfully unique and unpredictable character in Nina Reilly, a tough, tenderhearted attorney and single mother who has been hailed by critics as "one of the most interesting heroines in legal thrillers today" (the San Jose Mercury News).

Carter's Breach of Contract JW Carter 2018-11-29 Carter's Breach of Contract is well established as the leading text on the subject in the Commonwealth, having been cited regularly and with approval by the courts in a number of jurisdictions. The work is comprehensive in relation to both English and Australian law. Moreover, by drawing on decisions in the United States, Singapore and New Zealand, the American Law Institute's Restatement of Contract, 2nd as well as the Uniform Commercial Code (US) and the United Nations Convention on Contracts for the International Sale of Goods, the work has a unique comparative dimension. It will therefore be a valuable resource for scholars, practising lawyers and students of contract law. This new edition retains the hallmark of the previous edition: its statement of the law of breach of contract in a series of articles, which codify the law as a set of brief statements of principle. These articles are also reproduced in the Appendix, and together with an extensive bibliography, index, and tables, make this the ideal first port of call for all questions relating to breach of contract.

The City & The City China Miéville 2009-05-26 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES, THE SEATTLE TIMES, AND PUBLISHERS WEEKLY. When a murdered woman is found in the city of Beszel, somewhere at the edge of Europe, it looks to be a routine case for Inspector Tyador Borlú of the Extreme Crime Squad. To investigate, Borlú must travel from the decaying Beszel to its equal, rival, and intimate neighbor, the vibrant city of Ul Qoma. But this is a border crossing like no other, a journey as psychic as it is physical, a seeing of the unseen. With Ul Qoman detective Qussim Dhatt, Borlú is enmeshed in a sordid underworld of nationalists intent on destroying their neighboring city, and unificationists who dream of dissolving the two into one. As the detectives uncover the dead woman's secrets, they begin to suspect a truth that could cost them more than their lives. What stands against them are murderous powers in Beszel and in Ul Qoma: and, most terrifying of all, that which lies between these two cities. BONUS: This edition contains a The City & The City discussion guide and excerpts from China Miéville's Kraken and Embassytown.

A Dictionary of American and English Law Stewart Rapalje 1888

Breach of Power Chuck Barrett 2013 A hiker finds a journal deep inside a glacier that was lost during World War II. On its frozen pages are etched the secret locations of treasures lost since the 1940s. But something more ominous is scribed in the journal - something that threatens the Presidency of the United States. Jake Pendleton and his new partner, Francesca Catanzaro, work for an "off the books" intelligence firm and are summoned to the White House where they are instructed to

locate and acquire the book. Jake soon realizes there are others on a quest to find it as well. Others who will kill to get to it first.

The International Encyclopaedic Dictionary ... 1901

You'll See This Message When It Is Too Late Josephine Wolff 2018-11-13 What we can learn from the aftermath of cybersecurity breaches and how we can do a better job protecting online data. Cybersecurity incidents make the news with startling regularity. Each breach—the theft of 145.5 million Americans' information from Equifax, for example, or the Russian government's theft of National Security Agency documents, or the Sony Pictures data dump—makes headlines, inspires panic, instigates lawsuits, and is then forgotten. The cycle of alarm and amnesia continues with the next attack, and the one after that. In this book, cybersecurity expert Josephine Wolff argues that we shouldn't forget about these incidents, we should investigate their trajectory, from technology flaws to reparations for harm done to their impact on future security measures. We can learn valuable lessons in the aftermath of cybersecurity breaches. Wolff describes a series of significant cybersecurity incidents between 2005 and 2015, mapping the entire life cycle of each breach in order to identify opportunities for defensive intervention. She outlines three types of motives underlying these attacks—financial gain, espionage, and public humiliation of the victims—that have remained consistent through a decade of cyberattacks, offers examples of each, and analyzes the emergence of different attack patterns. The enormous TJX breach in 2006, for instance, set the pattern for a series of payment card fraud incidents that led to identity fraud and extortion; the Chinese army conducted cyberespionage campaigns directed at U.S.-based companies from 2006 to 2014, sparking debate about the distinction between economic and political espionage; and the 2014 breach of the Ashley Madison website was aimed at reputations rather than bank accounts.

BREACH OF PEACE Daniel B. Greene 2021-03-30 When an imperial family is found butchered, Officers of God are called to investigate. Evidence points to a rebel group trying to stab fear into the very heart of the empire. Inspector Khlid begins a harrowing hunt for those responsible, but when a larger conspiracy comes to light, she struggles to trust even the officers around her.

Delver Magic Book I: Sanctum's Breach Jeff Inlo A rolling tremor passes through the land of Uton signaling a return of long absent magic as well as an ancient evil that accompanies it. Ryson Acumen, purebred delver, senses the changes and begins his explorations to discover the source behind the upheaval. In his investigations, he learns that legends he considered fables hold more truth than fantasy. The delver encounters elves and learns the Sphere of Ingar, a talisman that captured all magical energies long ago, is free from its tomb in Sanctum Mountain. As violent, evil creatures return to shred the very fabric of reality, the sphere gains awareness and chooses to spew corrupted magical energies to obliterate all life. The sphere must be destroyed, but it rests within Sanctum, a hollow mountain with a single path to its center. The way to the sphere remains defended by devices created long ago, forged by members of each race to thwart entry to the mountain's core. Those that wish to defeat the sphere must not only overcome these barriers, they must conquer the mistrust which has flourished during the long period of separation. Human, elf, dwarf, algor and delver must reunite to defeat the obstacles that now protect the sphere. Once inside Sanctum, representatives of each race face the secrets of the ages that once undone will change their lives forever.

Breach of Duty J. A. Jance 2009-10-13 For the first time as a premium edition, a reissue of the fourteenth J. P. Beaumont novel by New York Times bestselling author J. A. Jance.

The Breach M.T. Hill 2020-03-17 From Philip K. Dick Award-nominated author M.T. Hill and selected as The Times 'Best Book of the Month', The Breach is a unique science fiction mystery set in the dangerous underground world of the urban exploration scene. Freya Medlock, a reporter at her local paper, is down on her luck and chasing a break. When she's assigned to cover the death of a young climber named Stephen, she might just have the story she needs. Digging into Stephen's life, Freya uncovers a strange photo uploaded to an urban exploration forum not long before he died. It seems to show a weird nest, yet the caption below suggests there's more to it. Freya believes this nest - discovering what it really is and where it's hidden - could be the key to understanding the mysteries surrounding Stephen's death. Soon she meets Shep, a trainee steeplejack with his own secret life. When Shep's not working up chimneys, he's also into urban exploration - undertaking dangerous 'missions' into abandoned and restricted sites. As Shep draws Freya deeper into the urbex scene, the circumstances of Stephen's death become increasingly unsettling - and Freya finds herself risking more and more to get the answers she wants. But neither Freya nor Shep realise that some dark corners are better left unlit.

Remedies for Breach of Contract Sol è ne Rowan 2012-01-26 Presenting a comprehensive and timely examination of remedies for breach of contract, this text analyses and challenges fundamental features of English contract law.

Gurry on Breach of Confidence Tanya Aplin 2012-03-29 Francis Gurry's renowned work, Breach of Confidence, published in 1984, was groundbreaking and invaluable in the field of intellectual property as the first text to synthesise the then burgeoning case law on breach of confidence into a systematic form. A highly regarded book, it was the first point of resort for practitioners and a key source for judges. Aplin, Bently, Johnson and Malynicz bring us a new edition of this important work, which remains faithful to the original in its approach, but is fully updated in light of the developments since the first edition. The authors expand upon the original work, in particular adding new material on the history and current relevance of the action for breach of confidence, . The authors stress both the advantages and disadvantages of the action for breach of confidence and, like Gurry, they constantly distinguish the action from associated legislative regimes which regulate the access to, acquisition, use and disclosure of information. The book extensively references the many analyses of the data protection regime and considers also issues of jurisdiction and choice of applicable law. Bringing together their particular skills and interests, the three authors produce a fresh re-writing of a highly significant text which retains the academic quality and precision of the original and stakes its claim once more as the leading authority in the field.

Breach K. I. Lynn 2013 What starts as a harmless office romance turns into an intense affair that two broken people need to overcome their painful pasts in this dark, erotic romance.

Model Rules of Professional Conduct American Bar Association. House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Dissolution K. I. Lynn 2014-01-07 "Separating himself from Lila puts Nathan in a level of hell he never knew existed. The journey is a spiraling descent where the beast inside is released and havoc reigns in the arena of self-destruction.

Security Breach Evan Grace 2018-03-04 It was only one night. One night, and I was sure I'd never see her again. Fast forward six months and I'm staring into those same eyes. Only this time Delilah is my boss's daughter. But the real kicker...she's very much pregnant. Now my only goal is to stand by her, protect her, and make sure my new family is taken care of. But there's a certain danger lurking in the shadows, threatening everything I hold dear. I won't rest until my family is safe. I won't stop until I've annihilated every threat. Delilah is mine. The child she's carrying is mine...and I'll be damned if anyone takes them away from me.

Reciprocity K. I. Lynn 2019-05-10 Happiness is a four letter word. I've never been happy before, never experienced love, until I met Nathan. He's my happy place, and my husband. Everything should be rainbows and unicorns, but it's not. The problem is, the past doesn't stay buried, and ours is popping up in spades. A trial. A warning. Reciprocity is at hand. The battle for survival has begun.

Data Breach Preparation and Response Kevvie Fowler 2016-06-08 Data Breach Preparation and Response: Breaches are Certain, Impact is Not is the first book to provide 360 degree visibility and guidance on how to proactively prepare for and manage a data breach and limit impact. Data breaches are inevitable incidents that can disrupt business operations and carry severe reputational and financial impact, making them one of the largest risks facing organizations today. The effects of a breach can be felt across multiple departments within an organization, who will each play a role in effectively managing the breach. Kevvie Fowler has assembled a team of leading forensics, security, privacy, legal, public relations and cyber insurance experts to create the definitive breach management reference for the whole organization. Discusses the cyber criminals behind data breaches and the underground dark web forums they use to trade and sell stolen data Features never-before published techniques to qualify and discount a suspected breach or to verify and precisely scope a confirmed breach Helps identify your sensitive data, and the commonly overlooked data sets that, if stolen, can result in a material breach Defines breach response plan requirements and describes how to develop a plan tailored for effectiveness within your organization Explains strategies for proactively self-detecting a breach and simplifying a response Covers critical first-responder steps and breach management practices, including containing a breach and getting the scope right, the first time Shows how to leverage threat intelligence to improve breach response and management effectiveness Offers guidance on how to manage internal and external breach communications, restore trust, and resume business operations after a breach, including the critical steps after the breach to reduce breach-related litigation and regulatory fines Illustrates how to define your cyber-defensible position to improve data protection and demonstrate proper due diligence practices

Safety Breach Delores Fossen 2019-12-01 Can a Texas lawman capture an escaped serial killer after a witness 's location is breached? The serial killer Gemma Hanson narrowly escaped just discovered her WITSEC location, and he 's coming after her to finish what he started. That 's the message Sheriff Kellan Slater personally delivers. Although Gemma and Kellan share an intense past, escaping the violence surrounding them is all that matters. Especially once Gemma realizes there is no safe place—not even protective custody..

Edge of the Breach Halo Scot 2020-01-08 We all become monsters at the edge of the breach. In a post-apocalyptic world where season of birth determines power -- spring healers, summer mages, fall shapeshifters, and winter shields -- a man and a woman emerge from tragic childhoods to lead humanity on opposite sides of an interrealm war.

is a hole in the sky. They call it the Rift. A portal to the gods. The scar of a suffering world. Through it, the gods rule the last scraps of civilization, harkening war. As chaos beckons, two leaders emerge from the ashes of a dying planet. Julian Kyder is the son of an abusive rape victim who compensates for his abandonment through psychopathy. Sira Rune is a cancer survivor who dedicates her life to living free and fearless while experiencing the taboo and the unorthodox. Rune is the only one unafraid of Kyder, and that terrifies him, because he only knows how to function through fear. Even though she gives him more chances than he deserves, how much violence can she forgive? When is a person beyond redemption? While he struggles to control his demons and she struggles to find purpose, the gods drag the ruined world into war. Amazon #1 Top Free Bestseller LGBT SF Top 20 New Releases LGBT SF CONTENT WARNING: The Rift Cycle is a highly graphic series intended for mature audiences. TAGS: science fiction, fantasy, grimdark, horror, LGBT, mental illness

READ AN EXCERPT

Chapter 1: Pain Made a Man Kyder, Age 9 - July 7, 7009 Her body is stone. Her eyes glass. She doesn't see me. Doesn't want me. Yet her blood runs through me, a river of pain. I call her mother, but she calls me nothing. She hopes to forget me. Hopes I will disappear. Conceived in violence, I am a constant reminder of the crime that made me. "Come," she orders me. Like a dog. And I jog at her heels, obedient. She won't use my name. It's a reminder I exist. The meaning behind it is empty, anyway. She refused to name me, so the hospital staff did. Julian Kyder -- Julian after the doctor who delivered me and Kyder after the hospital. Forever marked by the circumstances of my birth. She tried to abort, but I survived. She put me up for

adoption, but no one took me. She tried to release me into the system, but they were already at overcapacity. We're trapped. Stuck together as two halves of misery. The doctor told me I am a miracle. She told me I am a curse. "This way." She leads me along the edge of the Shelf toward the market. With each step, my feet crunch along the parched gravel. To our left, cliffs drop hundreds of meters into the Ruined Sea, a toxic cesspool that encircles the island. In the distance, Mount Erebus puffs ash into the blanched sky, a grandfather smoking the last bit of a cigar. We mutilated our world, bombarded the planet for centuries with nuclear weapons until we ran out of missiles, until Earth flipped upside-down. The only habitable continent is Antarctica, now the North Pole, and even here, the war melted the desolate wasteland into a scorching desert. Humans near extinction, huddled near the top of the planet like exiles. But we deserve it. Sweat trickles down my back. I pull my robe tight around myself, hoping to block out the sun. It's summer, so there's no respite from the heat. The days are endless. They bleed into each other like ink on a page, no distinction between the lines. Night won't come for another few months, and soon after it does, it won't leave till winter's done. Some call it balance. Day and night. Light and dark. Sun and stars. Birth and death. People look for meaning when it's only chaos disguised as order...

WELCOME TO THE

BREACH.

Dam Breach Modeling Technology V.P. Singh 2013-11-11 Dams are constructed for economic development, and their construction involves large investments of money, and natural and human resources. Of the various types of dams constructed around the globe, earth dams are the most common type and constitute the vast majority of dams. When a dam fails, it culminates in the sudden release of artificially stored water which, in turn, becomes a potential menace to virtually everything downstream. The dam failure may result in loss of life and property. In recent years, instances of dam failure in the world have been too many, and the resulting loss too high. As a result, dam safety programs have been developed in most countries of the world since the beginning of the nineteenth century. Earth dams are more susceptible to failure than other types. The cause of failure is often either overtopping or piping. The modeling of dam breaching due to either or both of these causes is of fundamental importance to development of dam-safety programs. This book is, therefore, an attempt to present some aspects of earth-dam breach modeling technology. It is hoped that others will be stimulated to write more comprehensive texts on this subject of growing interest and importance. The book is divided into eight chapters. The first chapter is introductory and discusses some aspects of dams and dam failures in the world.

To Stand in the Breach Danielle Grandinetti 2021-10-12 She came to America to escape a workhouse prison, but will the cost of freedom be too high a price to pay? 1933, Wisconsin - Large animal veterinarian Katy Wells takes her patients' welfare personally, so it's no surprise when she stands up to angry farmers planning a milk strike or takes in an injured draft horse to save its life. But after a visitor from the past discovers her location and reveals a threat, she must choose between her work and her freedom, and whether to trust a man to keep her safe. Prequel novella to A Strike to the Heart, releasing April 2022 from Heritage Beacon Press/Iron Stream Media
