Hypnotic Writing Joe Vitale 2006-12-22 Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of Triggers "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of Advertising Headlines That Make You Rich "I am a huge fan of Vitale and his books, and Hypnotic Writing (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, Hypnotic Writing is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of The Copywriter's Handbook "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of Think Inside the Box, www.thinkinginside.com "Hypnotic Writing is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. Hypnotic Writing is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of The Forbidden Keys to Persuasion

Badvertising Jim Morris 2021 Jim Morris has been responsible for some of the most memorable ad campaigns in history. He knows best that bad ads don't just create themselves. Part indictment on the advertising industry, part cautionary tale on what not to do with your ads, Jim pulls no punches to better ad people everywhere. "How many ads have you seen that made you question the intelligence of whomever designed it? Probably too many. If every ad person read Badvertising, the world would be a more intelligent and prosperous place." --Jonah Berger, New York Times bestselling author of Contagious and The Catalyst "Incisive and daring, Badvertising is the only book you need to truly understand both the inner workings of America's ad agencies, and the minds of those who never cease to astound us with both their creative genius

and profound stupidity. After just one reading, you'll never see advertising the same way again." --Drew Eric Whitman, bestselling author of *Cashvertising* How can the ad industry even exist when almost all of the products that it produces fall on a continuum from flawed to failed? What is it about this industry and the process of creating, selling, and producing ads that causes so much advertising to be so bad? These are the questions answered in *Badvertising*. A provocative, truth-to-power exposé of ad agencies' flaws, foibles, and failings--and why they matter to the consumer and to those in the business. Morris, an advertising legend known as "Tagline Jim," surveys myriad advertising "agents of stupidity." Hilarious, horrifying, and insightful, each chapter is a grenade lobbed into America's ad bunkers. *Badvertising* is a candid, never-seen-before accumulation of real-world don'ts and more don'ts, providing valuable cautionary tales of advertising's stupid side.

Lost and Founder Rand Fishkin 2018-04-24 Rand Fishkin, the founder and former CEO of Moz, reveals how traditional Silicon Valley "wisdom" leads far too many startups astray, with the transparency and humor that his hundreds of thousands of blog readers have come to love. Everyone knows how a startup story is supposed to go: A young, brilliant entrepreneur has a cool idea, drops out of college, defies the doubters, overcomes all odds, makes billions, and becomes the envy of the technology world. This is not that story. It's not that things went badly for Rand Fishkin; they just weren't quite so Zuckerberg-esque. His company, Moz, maker of marketing software, is now a \$45 million/year business, and he's one of the world's leading experts on SEO. But his business and reputation took fifteen years to grow, and his startup began not in a Harvard dorm room but as a mother-and-son family business that fell deeply into debt. Now Fishkin pulls back the curtain on tech startup mythology, exposing the ups and downs of startup life that most CEOs would rather keep secret. For instance: A minimally viable product can be destructive if you launch at the wrong moment. Growth hacking may be the buzzword du jour, but initiatives can fizzle quickly. Revenue and growth won't protect you from layoffs. And venture capital always comes with strings attached. Fishkin's hard-won lessons are applicable to any kind of business environment. Up or down the chain of command, at both early stage startups and mature companies, whether your trajectory is riding high or down in the dumps: this book can help solve your problems, and make you feel less alone for having them.

80/20 Sales and Marketing Perry Marshall 2013-08-13 Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to selling more while working less. Guided by famed marketing consultant and best-selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/202 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to hyper-responsive buyers and avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

12 Months to \$1 Million Ryan Daniel Moran 2020-05-05 This is the road map to a seven-figure business . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million: • The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months. • The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business. • The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

Ask Ryan Levesque 2019-07-02 The go-to guide for small-business owners and entrepreneurs to discover exactly what consumers want to buy and how to get it to them. As a small-business owner, entrepreneur, or marketer, are you absolutely certain that you know what your customer wants? And even if you know what your customer wants, are you sure that you are able to clearly communicate that you offer the exact thing that they are seeking? In this best-selling book, Ryan Levesque lays out his proven, repeatable, yet slightly counterintuitive, methodology for understanding the core wants and motivations of your customer. Levesque's Ask Method provides a way to discover what customers want to buy by guiding them through a series of questions and customizing a solution from them so they are more likely to purchase from you. And all through a completely automated process that does not require one-on-one conversations with every single customer. The Ask method has generated over \$100 million in online sales across 23 different industries and counting. Now it is your turn to use it to create a funnel, skyrocket your online income, and create a mass of dedicated fans for you and your company in the process.

Storyworthy Matthew Dicks 2018-05-15 A five-time Moth GrandSLAM winner and bestselling novelist shows how to tell a great story — and why doing so matters. Whether we realize it or not, we are always telling stories. On a first date or job interview, at a sales presentation or therapy appointment, with family or friends, we are constantly narrating events and interpreting emotions and actions. In this compelling book, storyteller extraordinaire Matthew Dicks presents wonderfully straightforward and engaging tips and techniques for constructing, telling, and polishing stories that will hold the attention of your audience (no matter how big or small). He shows that anyone can learn to be an appealing storyteller, that everyone has something "storyworthy" to express, and, perhaps most important, that the act of creating and telling a tale is a powerful way of understanding and enhancing your own life.

The 4 Day Week Andrew Barnes 2020-01-07 SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2021 In *The 4 Day Week*, entrepreneur and business innovator Andrew Barnes makes the case for the four-day work week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company *Perpetual Guardian*, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity,

work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. The 4 Day Week is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, The 4 Day Week is an essential guide for leaders and workers seeking to make a change for the better in their work world.

Cashvertising Drew Eric Whitman 2008-11-15 Barely one in a hundred businesspeople knows these facts about creating powerful advertising. Do You? FACT! Sixty percent of people read only headlines. Your headline must stop them or your advertising will likely fail. FACT! Captions under photos get 200 percent greater readership than non-headline copy. FACT! Ads with sale prices draw 20 percent more attention. FACT! Half-page ads pull about 70 percent of full-page ads; quarter-page ads pull about 50 percent of full-page ads. FACT! Four-color ads are up to 45 percent more effective than black and white. New York's biggest ad agencies use dozens of these little-known secrets every day to influence people to buy. And now--thanks to Cashvertising--you can, too. And it won't matter one bit whether you're a corporate giant or a mom-and-pop pizza shop. These techniques are based on human psychology. They work no matter where you're located, no matter what kind of product or service you sell, and no matter where you advertise. In fact, most don't cost a penny to use. Like a wild roller-coaster ride through the streets of Madison Avenue, Cashvertising teaches you the tips, tricks, and strategies that New York's top gun copywriters and designers use to persuade people to buy like crazy. No matter what you sell--or how you sell it, this practical, fast-paced book will teach you: How to create powerful ads, brochures, sales letters, Websites, and more How to make people believe what you say "Sneaky" ways to persuade people to respond Effective tricks for writing "magnetic" headlines What mistakes to avoid...at all costs! What you should always/never do in your ads Expert formulas, guidance, tips and strategies

Sales Dogs Blair Singer 2013-02-28 The number one skill for any entrepreneur or business owner is the ability to sell. Why? Because sales = income. Yet, many fail financially not because they do not have great ideas or even good work ethic, but typically because they don't know how to, refuse to, are afraid to, or don't think it is important to know how to sell. SalesDogs was written as the very first of the Rich Dad Poor Dad "how-to" Advisory series to teach in a very fun and impactful way how to overcome the fears, the myths and the obstacles to selling your products, services or yourself. It then teaches a simple, time-proven process of selling that will generate great income in most any business. The reader will learn the five most important selling skills to master, how to overcome any objection, manage a territory and much more. The book quickly de-bunks the idea that you have to be an overly aggressive "attack dog" to be successful. It uses the metaphor of "man's best friend" to say that a great sales person is like a loyal, persistent and lovable canine. It stipulates that there are five different "breeds" or personalities of SalesDogs that can each make a lot of money by playing to its strength. You will learn how to identify, maximize and train to that strength and also how to teach others on your team to do the same. While the book is fun and engaging, it also dives deep into the personal development issues that block a person's ability to generate income and how to overcome them. The book is perfect for first time salespeople, individuals who are uncomfortable with the notion of "selling", those who need to train others to sell and those who want to simply get better quicker.
