The Night the Angels Came Chrissie Chapman 2006-02-19 Trained as a midwife, Chrissie Chapman went to Burundi in the nineties to open a maternity clinic and dispensary in a rural area of the country. She had been there just three years when a coup was declared, and the country descended into a state of civil war. It lasted for thirteen long years. During that time, God directed her to work with the orphans and widows. She started a centre for abandoned babies and traumatised children and saw the Lord performing remarkable miracles in the lives of people who had lost everything. Chrissie adopted three children herself, and has raised more than fifty others to young adulthood. Again and again she has witnessed miracles of protection and provision. When the war started, Chrissie, her adopted children, and the health staff were living in a rural location on top of a mountain, in a healing centre, with maternity clinic and dispensary. Every night there was gunfire, and every day people would come seeking refuge. One night, she and David Ndarahutse, the mission director, were sitting praying amid the fighting, when David said, 'Chrissie, look up.' There were dozens of angels standing on top of the walls of the healing centre. That was the night the angels came. 'From that moment on,' Chrissie records, 'I have never experienced or felt fear for my life.' Today Chrissie divides her time between Burundi, where she continues to care for the teenagers in her charge, and England, Canada and America, where she speaks widely about the faithfulness and power of God.

Devil on the Run! Nicky Cruz 1990 Nicky's parents were both occultists, and he was expected to follow in their footsteps. But Nicky ran away, to New York City, where he became a tough, violent gang leader. Yet he was the first of his family to turn to Christ ...

Run Baby Run Nicky Cruz 2011-12-21 Cruz's classic testimony is still compelling reading more than forty years after its first publication. A childhood overshadowed by spiritualism in his Puerto Rican home preceded a harsh and violent adolescence as the leader of one of New York's toughest street gangs. Chilling scenes of knife fights, torture and murder dominated the life of a young man proud and feared on the outside, but inwardly running scared. His fears and loneliness were brought to the surface through an encounter with the unlikely character of preacher David Wilkerson, who led Cruz to open his life to Christ - an incredible conversion that amazed all who knew him.

Dream Trekker Gabriella Louise Sheldon 2012-08-14 Not everybody gets to go home. Not everybody wants to go back home. I, however, had always wanted to see the land where my grandparents had been born. All my life, I had been curious about life on the other side of the pond, where my ancestors had walked and talked. I too wanted to walk the streets and see the scenery at fifty-five degrees latitude, but I never thought in my wildest dreams that I would go to Poland as a clown. So begins a series of seven journeys that would take Gabriella Sheldon around the world as a volunteer. In Poland, she helped in a wheelchair distribution, but later she would witness the atrocities of Auschwitz. She lived and taught at a school in rural China, and she also got to see such famous sites as the Great Wall. She was a clown, a teacher, an orphan caretaker, and a traveler. Her roles varied, and so did the cultures she visited. She studied Polish, Russian, Mandarin, Spanish, and Lithuanian, never gaining fluency, yet always learning. Each journey was a step of faith as she bought her plane tickets and made her plans, often joining strangers in an outreach. As you

read *Dream Trekker*, you will find yourself immersed in the daily life of a volunteer.

Pentecostals Doing Church Mathew Clark 2019-04-30 Pentecostal-type Christians today make up close to 25% of the worldwide number of Christians of all creeds. On any given Sunday morning, they represent an even higher proportion of all Christian worshippers. They are people who intensively "do church" in its every aspect. This work investigates how they do it, from everyday fellowship through leadership to styles of worship. It balances established Western research into Pentecostalism with information and perspectives from the global stage, engaging a wide spectrum of theological and social disciplines. Analysing how Pentecostals have understood themselves, it explores the biblical, historical, practical and missiological material they have utilised to establish both their implicit and explicit notions of "church." Aimed at both scholars and lay people, the style, presentation and scope of the material are especially relevant to thinking Christians of all vocations, and will also be useful for social scientists and historians intrigued by this recent Christian phenomenon.

Jumble Sales of the Apocalypse Simon Jenkins 2017-03-16 'What do you do when the Second Coming is scheduled for next Wednesday? . . . Assemble at your nearest church? Make sure you've got clean underwear on? Confess those last sins? Send some goodbye texts to unbelieving friends? Take Paracetamol in case the rapture gives you the bends? Those and other neglected theological questions are rigorously examined in this book. With its gently satirical take on some of the weird ways in which people express their beliefs, it's a book that will help you appreciate the true value of religion by exploring the comedy of its wilder excesses. Whether you're a believer or a non-believer, fond of religion or a more than just a bit suspicious of it, you'll find your assumptions are far from safe after reading it!

It Is Finished David Wilkerson 2013-04-01 Founder of Teen Challenge Shows How to Overcome Persistent Sins This is David Wilkerson's capstone teaching, poured out from a heart that discovered the power God has given his people to triumph over sin. Through Wilkerson's expert ability to blend teaching with personal application, he shows that the key to defeating life-controlling habits is found in one thing: the new covenant God enacted with his people. In today's era of pop psychology, most Christians battle temptation and sin through self-help techniques or gritty self-will. Even Wilkerson, through decades of ministry that led hundreds of thousands to salvation and deliverance, struggled to know true peace as he battled his own "besetting sins." Determined to find victory, Wilkerson came to grasp the stunning reality that the vast love of God provides the spiritual resources believers need to obey his every command. Gathered from some of his most prominent sermons, this is one of Wilkerson's most powerful teachings--one that will redeem countless lives into the life-giving experience of purity.

Fresh Wind, Fresh Fire Jim Cymbala 2010-09 The Times Are Urgent God Is on the Move Now Is the Moment to ... ask God to ignite his fire in your soul! Pastor Jim Cymbala believes that Jesus wants to renew his people-to call us back from spiritual dead ends, apathy, and lukewarm religion. Cymbala knows the difference firsthand. God began to move ... street-hardened lives by the hundreds were changed by the love of Christ ... and today they are more than ten thousand strong. The story of what happened to this broken-down church in one of America's toughest neighborhoods points the way to new spiritual vitality in the church and in your own life. *Fresh Wind, Fresh Fire* shows what the Holy Spirit can do when believers get serious about prayer and the gospel.
