ABC of Learning & Teaching in Medicine

professional “zones of mastery” –that is, areas of competence. Unexpected events or surprises trigger two kinds of reflection. The first, “reflection in action,” occurs immediately. It is the ability to learn and develop continually by creatively applying current and past experiences and reasoning to unfamiliar events while they are ...

Yoga Sutras of Patanjali Interpretive Translation

self-study guide. When Patanjali codified, or compiled the Yoga Sutras, it was not that a new system was created, but rather, the ancient practices were summarized in an extremely organized and terse way. While the Yoga Sutras are thought to be as old as 400 BCE, archaeological evidence and other texts suggest that the methods described in the
