The Memoirs of Casanova Giacomo Casanova The name of Giacomo Casanova, Chevalier de Seingalt (1725-98), is now synonymous with amorous exploits, and there are plenty of these, vividly narrated, in his memoirs. But Casanova was not just an energetic lover. In his time he was a diplomat, businessman, trainee priest, traveler, prisoner, magician, confidence man, gambler, professional entertainer, and charlatan. He financed business projects, organized lotteries, wrote opera libretti, and dabbled in high politics. Above all he was an autobiographer of enduring brilliance and subtlety who left behind him what is probably the most remarkable confession ever written. Casanova explored to the full all the possibilities eighteenth-century Venice offered by way of love and profit before being imprisoned, escaping from jail, and fleeing from the city to begin travels that took him across Europe. In Moscow and London, Berlin and Constantinople, he met the famous men and women of his time—Catherine the Great, Voltaire, Louis XV, Rousseau—and recorded his encounters for the memoirs he wrote in retirement at the end of his life.

Empire of Enchantment John Zubrzycki 2018-10 India's association with magicians goes back thousands of years. Conjurers and illusionists dazzled the courts of Hindu maharajas and Mughal emperors. As British dominion spread over the subcontinent, such wonder-workers became synonymous with India. Western magicians appropriated Indian attire, tricks and stage names; switching their turbans for top hats, Indian jugglers fought back and earned their grudging respect. This book tells the extraordinary story of how Indian magic descended from the realm of the gods to become part of daily ritual and popular entertainment across the globe. Recounting tales of levitating Brahmins, resurrections, prophesying monkeys and "the most famous trick never performed," Empire of Enchantment vividly charts Indian magic's epic journey from street to the stage. This heavily illustrated book tells the extraordinary, untold story of how Indian magic descended from the realm of the gods to become part of daily ritual and popular entertainment across the globe. Drawing on ancient religious texts, early travelers' accounts, colonial records, modern visual sources, and magicians' own testimony, Empire of Enchantment is a vibrant narrative of India's magical traditions, from Vedic times to the present day.

The Wine, Beer, and Spirits Handbook The International Culinary Schools at The Art Institutes 2009-04-22 Master the mysteries of wine. The study of wine and beverages has become integral to hospitality education. The Wine, Beer, and Spirits Handbook demystifies the wine and wine-making process, examining not only the making and flavor profiles of wine, beer, and spirits, but also the business of wine service as practiced by a chef sommelier. Unique to this book, is the strong emphasis on food and wine pairings, as well as food and beverage interactions. An entire chapter uncovers this broad, often intimidating, topic with detailed information on table wines, sparkling wines, fortified wines, beer and spirits. More importantly, The Handbook explains the responsibilities of a sommelier from both service and managerial perspectives. Readers explore their wine-related duties including: the developing of wine lists, identifying faulty wines, ordering, receiving, and storing wines, conducting inventory control, pricing, product research, cellar management, and the health and legal implications of wine consumption. A comprehensive, one-stop resource to the character and best use of beverages, The Wine, Beer, and Spirits Handbook will help every student, chef, sommelier and wine enthusiast confidently master the mysteries of wine and other beverages.

The Real McCoy and Other Ghost Stories Lesley Thompson 2010 'Are you scared, Gordon?' asks Heather. Four friends talk of ghosts in a hotel in Scotland. That night Gordon sees and hears something strange in his room. But is it really the ghost of Lord McCoy? These six stories tell of ghosts - friendly, sad, and bad - from Britain, Australia, New Zealand, America - and Egypt!

Nefarious Crimes, Contested Justice Joanne M. Ferraro 2008-12 Nefarious Crimes, Contested Justice also traces shifting attitudes toward illegitimacy and paternity from the late sixteenth through the eighteenth centuries. Both the Catholic Church and the Republic of Venice tried to enforce moral discipline and regulate sex and reproduction. Unmarried pregnant women were increasingly stigmatized for engaging in sex. Their claims for damages because of seduction or rape were largely unproven, and the priests and laymen that they were involved with were often acquitted of any wrongdoing. The lack of institutional support for single motherhood and the exculpation of fathers frequently led to abortion, infant abandonment, or even infant death.

Many Middle Passages Emma Christopher 2007-09-03 "Extends the concept of the Middle Passage to encompass the expropriation of people across other maritime and inland routes. No previous book has highlighted the diversity and centrality of middle passages, voluntary and involuntary, to modern global history."—Kenneth Morgan, author of Slavery and the British Empire "This volume extends the now well-established project of 'Atlantic World Studies' beyond its geographic and chronological frames to a genuinely global analysis of labour migration. It is a work of major importance that sparkles with new discoveries and insights."—Rick Halpern, co-editor of Empire and Others: British Encounters with Indigenous Peoples, 1600-1850

The Silk Roads Peter Frankopan 2016-02-16 INTERNATIONAL BESTSELLER • Far more than a history of the Silk Roads, this book is truly a revelatory new history of the world, promising to destabilize notions of where we come from and where we are headed next. "A rare book that makes you question your assumptions about the world." —The Wall Street Journal From the Middle East and its political instability to China and its economic rise, the vast region stretching eastward from the Balkans across the steppe and South Asia has been thrust into the global spotlight in recent years. Frankopan teaches us that to understand what is at stake for the cities and nations built on these intricate trade routes, we must first understand their astounding pasts. Frankopan realigns our understanding of the world, pointing us eastward. It was on the Silk Roads that East and West first encountered each other through trade and conquest, leading to the spread of ideas, cultures and religions. From the rise and fall of empires to the spread of Buddhism and the advent of Christianity and Islam, right up to the great wars of the twentieth century—this book shows how the fate of the West has always been inextricably linked to the East. Also available: The New Silk Roads, a timely exploration of the dramatic and profound changes our world is undergoing right now—as seen from the perspective of the rising powers of the East.

Iran and Pakistan Alex Vatanka 2015-07-28 The respective policies of the governments of Iran and Pakistan pose serious challenges to US interests in the Middle East, Asia and beyond. These two regional powers, with a combined population of around 300 million, have been historically intertwined in various cultural, religious and political ways. Iran was the first country to recognise the emerging independent state of Pakistan in 1947 and the Shah of Iran was the first head of state to visit the new nation. While this relationship shifted following the 1979 Iranian Revolution, and tensions do exist between Sunni Pakistan and Shi'i Iran, there has nevertheless been a history of cooperation between the two countries in fields that are of great strategic interest to the US: Afghanistan, nuclear proliferation and terrorism. Yet much of this history of cooperation, conflict and ongoing interactions remains unexplored. Alex Vatanka here presents the first comprehensive analysis of this long-standing and complex relationship

The Travels of Ludovico Di Varthema in Egypt, Syria, Arabia Deserta and Arabia Felix, in Persia, India, and Ethiopia, A.D. 1503 to 1508 Lodovico de Varthema 1863 For correctness of observation and readiness of wit Varthema stands in the foremost rank of the old Oriental travellers. In Arabia and in the Indian archipelago east of Java he is (for Europe and Christendom) a real discoverer. Even where passing over ground traversed by earlier European explorers, his keen intelligence frequently adds valuable original notes on peoples, manners, customs, laws, religions, products, trade, methods of war. --Richard Francis Burton.

Metaphorical Ways of Knowing Sharon L. Pugh 1997 This book explores the subject of metaphor, using the imagery of cartography to set a course. It explores the creative aspects of thinking and learning through literature, writing, and word play, drawing connections between English and other content areas. Theory and practical applications meet in the book, linking activities and resources to current classroom concerns--to multiculturalism, imagination in reading and writing, critical thinking, and expanding language experiences. The first part of the book examines the uses of metaphor in constructing meaning. The second part takes up issues related to multiple perspectives--using metaphors to experience other lives, and exploring cultures through traditions. The third part of the book is devoted to a consideration of the history and current status of the English language and focuses on using cross-cultural stories in the English classroom, offering a number of resources for teaching multicultural literature in English. The fourth part examines the sensory experience of metaphors by seeing, hearing, tasting, smelling, and touching with the imagination. Contains 14 pages of references and an index. (NKA)

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR ARNALD OF SARRANT 2013-09-26 The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church. The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader. Among these Sources, the Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum by Arnald of Sarrant merits particular attention. It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378, and therefore contains valuable information regarding the initial period of Franciscan history. Unfortunately it is not easily available in translation because of its voluminous nature. In fact, it covers a total of 712 pages of the third volume of Analecta Franciscana, published by the Franciscan editors of Quaracchi in 1897. Our aim has been that of embarking on the arduous task of translating this voluminous work of history into English from the original Latin. This translation is the fruit of three years of work, and we are now happy to present it to the general public.

Because of its voluminous nature we intend to divide it into 5 sections, four of which cover the 575 pages of text and one the appendixes. The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods: (1) Saint Francis and the early Franciscan fraternity; (2) The Generals from brother Elias as vicar (1227) to Saint Bonaventure (1274); (3) The Generals from Jerome of Ascoli (1274) to Michael of Cesena (1328); (4) The Generals from Gerard Eudes (1329) to Leonard of Giffoni (1378). A last section will be the translation of the appendixes. The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle. Our aim has been simply that of providing a readable translation, without pretending to be scholars of mediaeval Latin. We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies, and who we gratefully thank for their eventual advice and corrections

Memories of the Russian Court Anna Virubova 2020-07-14 Anna Alexandrovna Vyubova (1884 – 1964) was a Russian lady-in-waiting and close friend of Tsaritsa Alexandra Fyodorovna, Empress of Russia and wife of the last ruler of the Russian Empire, Nicholas II. Within this fascinating volume, she recounts her unique experiences of life at the Russian court and relationship with the Romanov family during the years leading up to the 1917 revolution. Offering extraordinary insights into the Romanovs and the political and social climate of the time, this volume constitutes a must-read for anyone with an interest in this significant episode of world history. Many vintage book such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern edition complete with the original text and artwork.

Aphrodisiacs Peter V. Taberner 2012-12-06 The planning and writing of this book has taken rather longer than I had originally intended: what began as a modest literary project for two second-year medical students has expanded over eight years to become a complete book. The subject matter lent itself all too easily to a sensationalist approach yet, on the other hand, a strictly scientific approach would probably have resulted in a dull dry text of little interest to the general reader. I have therefore attempted to bridge the gap and make the book intelligible and entertaining to the non-specialist, but at the same time ensuring that it is factually correct and adequately researched for the scientist or clinician. I have always been impressed by Sir J. G. Frazer's introduction to his classic book *The Golden Bough* in which he apologizes for the fact that an article originally intended merely to explain the rules of succession to the priesthood of Diana at Aricia had expanded, over a period of thirty years, to twelve volumes. The present work cannot pretend to such heady levels of academic excellence.

Twenty Thousand Leagues Under the Sea Jules Verne 1887

Dear Fiona Fiona Fullerton 2012-09-01 He was a suspected Cold War spy. She became the glamorous KGB double agent in a Bond movie. When a prisoner writes to a movie star, the best he can hope for is a signed photo. But when Alex wrote to Fiona she was beguiled by the artistry of his letters and poems. In this heartfelt memoir, the author recalls-for the first time-her 12 year correspondence with Prisoner 789959 Alexander Alexandrowicz-including his wise counsel about her marriage, divorce and career at the forefront of cinema, TV and theatre. Based on their original letters, the narrative is one of contrasts-about a man in the darkest days of prolonged incarceration and a woman surrounded by the brightest lights imaginable. Shocked by his long sentence, Alex protested his innocence and railed against the system, often from solitary confinement-while Fiona Fullerton roamed the world, a celebrity nomad. Dear Fiona is the true story of how two people from social extremes forged a 30 year bond of friendship. It also tells of how they came to rely on each other and the author's search for him after he disappeared. 'Have you ever heard of Nadejda Philaretovna von Meck? She and Tchaikovsky were corresponding for years, they never met-and yet he produced his finest work for her. My finest work shall be for you... It is you alone who has given me strength while I have been in prison, the strength to restore lost and dying hope into burning resolution'. 'Yes, the bond between us will get stronger, Alex. It will never die now. I'll always be here when you need me. I need you too...' Reviews 'Wonderful, fascinating, fantastic' Aled Jones, Good Morning Sunday, BBC Radio 2. 'Poignant, tender and informative, Dear Fiona: Letters from a suspected Soviet Spy is a wonderful collection of letters between two people who, through the power of words, set out to make life that little bit more bearable when darkness called. A powerful and engaging narrative helps showcase the immeasurable talent Alex Alexandrowicz is' www.MiloRambles.com 'Compelling, gripping, moving, insightful' Erwin James, Guardian correspondent. 'Makes for compulsive reading' Edward Fitzgerald CBE QC 'A very moving book' John Hostettler

Wine and Society Stephen Charters 2006 Divided into four parts, this book examines the context of wine production, the wine consumer, and the social context of wine. It discusses themes like the historical, geographical, and cultural factors and the way they shape wine production and consumption, wine production, marketing differentiation, the contemporary wine consumer and lifestyle factors, and politics and the economics of wine.
