As a manufacture on-demand company, we produce units only as they're ordered, which reduces excess production. Our ink is chlorine-free, and our acid-free interior paper stock is supplied by a Forest Stewardship Council-certified provider. We currently offer a cream paper for black and white book interiors that is made from 30% post-consumer waste recycled material. We also maintain a commitment to recycling waste materials resulting from the printing process and from daily office operations, and we will continue to review our practices to ensure we are doing our part to protect the environment." At Krisp we made a number of Eco-friendly choices to ensure you feel good about using our notebooks: All of our products are made in the country where the order is placed and delivered - including U.S.A., Japan, Britain, Germany, Spain, France and Italy and more! Causing less pollution while supporting local economies. You will find that the dark strip printed on the side of most notebooks mimics leather pattern so that you may enjoy the look without harming animals. We use sturdy paperbacks with a layer of protective gloss surface that are easily recycled and put less strain on the environment compared to plastic and hard covers. This also gives the artwork gallery-inspired shiny look and helps the colors pop! As a company that also prints books for children we cannot compromise on these distinctive features as we work to preserve the planet for future generations.
