My Friends Emmanuel Bove 2019-05-07 Bove's tale of a World War I veteran living in postwar Paris, searching for friendship and warmth, is an ironic, entertaining masterpiece by one of his favorite authors. My Friends is Emmanuel Bove's first and most famous book, and it begins simply, though unusually, enough: "When I wake up, my mouth is open. My teeth are furry; it would be better to brush them in the evening, but I am never brave enough." Victor Baton is speaking, and he is a classic little man, of no talent or distinction or importance and with no illusions of any of those things, either; in fact, if he is exceptional, it is that life's most basic transactions seem to confound him more than they do the rest of us. All Victor wants is to be loved, all his friend, and as he strays through the streets of Paris in search of love or friendship or some fleeting connection, we laugh both at Victor's meekness and at his odd pride, but we feel with Victor is after all a kind of everyman, the indomitable knight of human fragility. And, in spite of everything, he, or at least his creator, is some kind of genius, investing the back streets and rooms of the city and the unsorted moments of daily life with a weird and unforgettable clarity.
