Priest of Nature Rob Iliffe 2017-06-09 After Sir Isaac Newton revealed his discovery that white light was compounded of more basic colored rays, he was hailed as a genius and became an instant international celebrity. An interdisciplinary enthusiast and intellectual giant in a number of disciplines, Newton published revolutionary, field-defining works that reached across the scientific spectrum, including the Principia Mathematica and Opticks. His renown opened doors for him throughout his career, ushering him into prestigious positions at Cambridge, the Royal Mint, and the Royal Society. And yet, alongside his public success, Newton harbored religious beliefs that set him at odds with law and society, and, if revealed, threatened not just his livelihood but his life. Religion and faith dominated much of Newton's life and work. His papers, never made available to the public, were filled with biblical speculation and timelines along with passages that excoriated the early Church fathers. Indeed, his radical theological leanings rendered him a heretic, according to the doctrines of the Anglican Church. Newton believed that the central concept of the Trinity was a diabolical fraud and loathed the idolatry, cruelty, and persecution that had come to define religion in his time. Instead, he proposed a "simple Christianity"--a faith that would center on a few core beliefs and celebrate diversity in religious thinking and practice. An utterly original but obsessively private religious thinker, Newton composed several of the most daring works of any writer of the early modern period, works which he and his inheritors suppressed and which have been largely inaccessible for centuries. In Priest of Nature, historian Rob Iliffe introduces readers to Newton the religious animal, deepening our understanding of the relationship between faith and science at a formative moment in history and thought. Previous scholars and biographers have generally underestimated the range and complexity of Newton's religious writings, but Iliffe shows how wide-ranging his observations and interests were, spanning the entirety of Christian history from Creation to the Apocalypse. Iliffe's book allows readers to fully engage in the theological discussion that dominated Newton's age. A vibrant biography of one of history's towering scientific figures, Priest of Nature is the definitive work on the spiritual views of the man who fundamentally changed how we look at the universe.

The Plebeian Experience Martin Breugh 2013-12-10 How do people excluded from political life achieve political agency? Through a series of historical events that have been mostly overlooked by political theorists, Martin Breugh identifies fleeting yet decisive instances of emancipation in which people took it upon themselves to become political subjects. Emerging during the Roman plebs's first secession in 494 BCE, the plebeian experience consists of an underground or unexplored configuration of political strategies to obtain political freedom. The people reject domination through political praxis and concerted action, therefore establishing an alternative form of power. Breugh's study concludes in the nineteenth century and integrates ideas from sociology, philosophy, history, and political science. Organized around diverse case studies, his work undertakes exercises in political theory to show how concepts provide a different understanding of the meaning of historical events and our political present. The Plebeian Experience describes a recurring phenomenon that clarifies struggles for emancipation throughout history, expanding research into the political agency of the many and shedding light on the richness of radical democratic struggles from ancient Rome to Occupy Wall Street and beyond.

La cattedrale dei vangeli perduti Fabio Delizzos 2018-08-30 Enigmatico e leggendario È arrivato il nuovo I pilastri della terra Un grande thriller storico Dall ' autore del bestseller Il cacciatore di libri proibiti Roma, dicembre 1564. Mentre in città un misterioso assassino traccia una croce di sangue sulla fronte delle sue vittime, in Vaticano qualcuno sta tramando per uccidere il papa. Raphael Dardo, agente segreto del duca Cosimo I de ' Medici, è a Roma con una missione: proteggere la vita di Pio IV e scoprire chi muove i fili della congiura. L ' indagine lo porterà a fare ricerche tra caveri di tesori, maghi, profeti eretici, nobili indebitati e potentissimi cardinali; dai piani alti del potere fino alle profondità labirintiche delle catacombe paleocristiane. Perché sono proprio quei cunicoli a nascondere qualcosa di estremamente prezioso e pericoloso, qualcosa di cui tutti sembrano desiderosi di impossessarsi, per poter poi esercitare qualsiasi forma di ricatto. Se vuole salvare se stesso, le persone che ama, il papa e l ' intera Chiesa, Raphael deve scoprire cosa si nasconde nel ventre di Roma. E deve farlo al più presto... Treasures of a Lost Art Pia Palladino 2003 "Treasures of a Lost Art presents 144 leaves, cuttings, and illuminated manuscript fragments from the

collection of Robert Lehman (1891-1969), one of the largest and most impressive private holdings of Italian manuscripts assembled after the First World War. Discussed here - with many of them handsomely illustrated in full color - are important examples of the major schools of illumination in southern Italy, Umbria, Tuscany, Emilia, Lombardy, and the Veneto. Previously unpublished, and perhaps even unknown to scholars, are works by some of the foremost Italian painters of the Middle Ages and Renaissance, including a leaf here attributed for the first time to the Sienese master Duccio di Buoninsegna and cuttings by Stefano da Verona and Cosimo Tura. Lesser-known artists, such as Neri di Rimini, Belbello da Pavia, and Girolamo da Cremona, once renowned for their beautifully illuminated volumes, are also discussed in full."--BOOK JACKET.

Starship: Rebel Mike Resnick 2009-09-25 The date is 1968 of the Galactic Era, almost three thousand years from now. The Republic, dominated by the human race, is in the midst of an all-out war with the Teroni Federation. Almost a year has passed since the events of Starship: Mercenary. Captain Wilson Cole now commands a fleet of almost fifty ships, and he has become the single greatest military force on the Inner Frontier. With one exception. The Republic still comes and goes as it pleases, taking what it wants, conscripting men, and extorting taxes, even though the Frontier worlds receive nothing in exchange. And, of course, the government still wants Wilson Cole and the starship Theodore Roosevelt. He has no interest in confronting such an overwhelming force, and constantly steers clear of them. Then an incident occurs that changes everything, and Cole declares war on the Republic. Outnumbered and always outgunned, his fleet is no match for the Republic's millions of military vessels, even after he forges alliances with the warlords he previously hunted down. It's a hopeless cause...but that's just what Wilson Cole and the Teddy R. are best at.

Making Meaning in Older Age Annette M. Lane RN PhD 2017-01-25 Making meaning in life can be challenging at any age. However, making and sustaining meaning in advancing age can be especially difficult due to physiological changes, declining health, and multiple losses. From years of personal and professional experience, and with much warmth, the authors address the multifaceted nature of meaning and offer practical ways in which older adults can find and sustain meaning despite the transitions experienced with advancing age. They also offer ways in which family members can help their aging loved ones in their journey of meaning-making. Bringing together the pieces of one's life through meaning-making is vital for older adults and offers a precious gift for their loved ones!

Il cacciatore di libri proibiti Fabio Delizzos 2017-10-26 Ai primi posti delle classifiche italiane Un grande thriller storico Dall'autore del bestseller Il collezionista di quadri perduti Roma, agosto 1559. Paolo IV, il papa che ha emanato il primo Indice dei libri proibiti, esala l'ultimo respiro. Il popolo della Città Eterna insorge, abbandonandosi a devastazioni e profanazioni di una brutalità mai vista prima. Ma fatti ben più gravi e inauditi accadono nelle vie della città nelle stesse ore, eventi che hanno del miracoloso e di cui nessuno deve venire a conoscenza. Il cardinale camerlengo vuole che a condurre le indagini su quegli strani episodi sia Raphael Dardo, un agente segreto del duca Cosimo I de' Medici, che era rinchiuso nelle prigioni di Castel Sant'Angelo per il possesso di una Bibbia giudicata maledetta. Se vuole riacquistare la libertà e avere salva la vita, Raphael dovrà risolvere il caso prima che abbia inizio il conclave che eleggerà il nuovo pontefice. Con l'aiuto di un geniale alchimista, di due bellissime e astute cortigiane, e persino del grande maestro Michelangelo, Raphael inizia una ricerca che lo condurrà sulle tracce di un libro. Il più antico, raro, misterioso e pericoloso che sia mai stato scritto. I pochi che sono a conoscenza della sua esistenza lo chiamano Il Codice dei miracoli, e devono custodirne i segreti a tutti i costi... A Decent Family Rosa Ventrella 2020-06 For fans of Elena Ferrante's Neapolitan series comes a captivating family saga focused on a willful young woman's struggles against her oppressive small town by acclaimed Italian author Rosa Ventrella. In old Bari, everyone knows Maria De Santis as "Malacarne," the bad seed. Nicknamed for her dark features, volcanic temperament, and resistance to rules, the headstrong girl can only imagine the possibilities that lie outside her poverty-stricken neighborhood. Growing up with her mother, two brothers, and a tyrannical father, Maria must abide. She does--amid the squalid life to which she was born, the cruelties of her small-minded neighbors, and violence in a constant threat of eruption. As she reconciles her need for escape with the allegiance she feels toward her family, Maria has her salvations: her secret friend, Michele, son of a rival family and every bit the outsider she is, and her passion for books, which may someday take her far, far away. In this exquisitely rendered and sensory-rich novel, Rosa Ventrella explores the limits of loyalty, the redeeming power of friendship and love, and the fire in the soul of one woman who was born to break free.

Essays on Ancient and Modern Judaism Arnaldo Momigliano 1994-08-09 Momigliano acknowledged that his Judaism was the most fundamental inspiration for his scholarship, and the writings in this collection demonstrate how the ethical experience of the Hebraic tradition informed his other works.

Making Sense of Taste Carolyn Korsmeyer 2014-01-04 Taste, perhaps the most intimate of the five senses, has traditionally been considered beneath the concern of philosophy, too bound to the body, too personal and idiosyncratic. Yet, in addition to providing physical pleasure, eating and drinking bear symbolic and aesthetic value in human experience, and they continually inspire writers and artists. Carolyn Korsmeyer explains how taste came to occupy so low a place in the hierarchy of senses and why it is deserving of greater philosophical respect and attention. Korsmeyer begins with the Greek thinkers who classified taste as an inferior, bodily sense; she then traces the parallels between notions of aesthetic and gustatory taste that were explored in the formation of modern aesthetic theories. She presents scientific views of how taste actually works and identifies multiple components of taste experiences. Turning to taste's objects—food and drink—she looks at the different meanings they convey in art and literature as well as in ordinary human life and proposes an approach to the aesthetic value of taste that recognizes the representational

and expressive roles of food. Korsmeyer's consideration of art encompasses works that employ food in contexts sacred and profane, that seek to whet the appetite and to keep it at bay; her selection of literary vignettes ranges from narratives of macabre devouring to stories of communities forged by shared eating.

Delitti di Capodanno Francesca Bertuzzi 2014-11-20 La notte perfetta per un assassino 9 autori 9 misteri 9 storie senza un colpevole Vi trovate al caldo di un camino, mentre fuori nevicava? Siete circondati da parenti e amici per festeggiare insieme a loro? Oppure vi siete concessi una vacanza alternativa? Comunque abbiate deciso di trascorrere le feste, fatelo in compagnia di nove autori e delle loro storie, che regaleranno un brivido alla vostra quiete natalizia... Si parte dalla Venezia del Settecento, dove Vitale Federici dovrà indagare su tre cadaveri tagliati a metà. Per arrivare a quella dei giorni nostri, dove un omicidio guasta il Capodanno a Bruno Cavallone, capo della sezione omicidi. Giorni terribili anche per Viviana Martinelli, poliziotto dell'Unità Analisi del Crimine Violento, alle prese con Dytiscus, un folle omicida. Capodanno violento in Sardegna: Emma si trova legata e imbavagliata nella cantina di una casa, mentre al piano superiore fervono i preparativi per l'ultima notte dell'anno. Anche a Napoli si festeggia e si balla, ma per qualcuno quel ballo sarà l'ultimo. Come per il pittore Enrico D'Angelo, che sceglie proprio la notte di Capodanno per un'esecuzione a regola d'arte. E mentre nei vicoli di Bari, poco prima dell'inizio dei "botti", un ex magistrato si scontra con gli errori della giustizia, nella mente di una ragazza cominciano ad affacciarsi pensieri pericolosi, che non le appartengono... Qualcuno invece festeggia in un bunker. Perché la fine del mondo è forse arrivata e l'alba del nuovo anno sarà impossibile da vedere. Intelligence As a Principle of Public Economy Carlo Cattaneo 2007 Intelligence as a Principle of Public Economy offers the best expression of the life and thought of the nineteenth-century Italian political economist Carlo Cattaneo. Available here for the first time in English, this volume showcases pensiero come principio d'economia pubblica, Cattaneo's pioneering vision of economic growth that emphasized the central role of intelligence and will in economic processes, the value of knowledge and innovation, and the importance of liberty. This classic of Italian thought is framed by a long biographical sketch of Cattaneo's life before, during, and after the Italian Risorgimento and an afterword that demonstrates the continuing relevance of Cattaneo's social, political, and economic ideas to today's ongoing debate about the importance of a free society.

The Silk House Kayte Nunn 2020-06-30 Weaving. Healing. Haunting. The spellbinding story of a mysterious boarding school sheltering a centuries-old secret... Australian history teacher Thea Rust arrives at an exclusive boarding school in the British countryside only to find that she is to look after the first intake of girls in its 150-year history. She is to stay with them in Silk House, a building with a long and troubled past. In the late 1700s, Rowan Caswell leaves her village to work in the home of an English silk merchant. She is thrust into a new and dangerous world where her talent for herbs and healing soon attracts attention. In London, Mary-Louise Stephenson lives amid the clatter of the weaving trade and dreams of becoming a silk designer, a job that is the domain of men. A length of fabric she weaves with a pattern of deadly flowers will have far-reaching consequences for all who dwell in the silk house. Intoxicating, haunting and inspired by the author's background, THE SILK HOUSE is an exceptional gothic mystery. 'The ghostly stories of three women who had all spent time at a mysterious boarding school are beautifully woven together in this spellbinding tale. An exceptional gothic mystery' Woman's Day 'This spellbinding story intertwines three strong, fearless women in the pursuit of fulfilling their dreams' Family Circle 'The stories of three fascinating women weave seamlessly together in this atmospheric book set against the sumptuous backdrop of the eighteenth-century silk trade... a mystery that is so compelling I found myself racing towards the final pages. Utterly spellbinding' NATASHA LESTER **Contains BONUS extract from Kayte's heartbreaking love story and mystery, THE LAST REUNION**

Songs of Willow Frost Jamie Ford 2013-09-10 NEW YORK TIMES BESTSELLER From Jamie Ford, author of the beloved Hotel on the Corner of Bitter and Sweet, comes a much-anticipated second novel. Set against the backdrop of Depression-era Seattle, Songs of Willow Frost is a powerful tale of two souls—a boy with dreams for his future and a woman escaping her haunted past—both seeking love, hope, and forgiveness. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Twelve-year-old William Eng, a Chinese American boy, has lived at Seattle's Sacred Heart Orphanage ever since his mother's listless body was carried away from their small apartment five years ago. On his birthday—or rather, the day the nuns designate as his birthday—William and the other orphans are taken to the historical Moore Theatre, where William glimpses an actress on the silver screen who goes by the name of Willow Frost. Struck by her features, William is convinced that the movie star is his mother, Liu Song. Determined to find Willow and prove that his mother is still alive, William escapes from Sacred Heart with his friend Charlotte. The pair navigate the streets of Seattle, where they must not only survive but confront the mysteries of William's past and his connection to the exotic film star. The story of Willow Frost, however, is far more complicated than the Hollywood fantasy William sees onscreen. Shifting between the Great Depression and the 1920s, Songs of Willow Frost takes readers on an emotional journey of discovery. Jamie Ford's sweeping novel will resonate with anyone who has ever longed for the comforts of family and a place to call home. Praise for Songs of Willow Frost “ If you liked Hotel on the Corner of Bitter and Sweet, you're going to love Songs of Willow Frost. . . . tender, powerful, and deeply satisfying. ” —Lisa Genova “ [A] poignant tale of lost and found love. ” —Tampa Bay Times “ Arresting . . . [with] the kind of ending readers always hope for, but seldom get. ” —The Dallas Morning News “ [An] achingly tender story . . . a tale of nuance and emotion. ” —The Providence Journal “ Ford crafts [a] beautiful, tender tale of love transcending the sins people perpetrate on one another and shows how the strength of our primal relationships is the best part of our human nature. ” —Great Falls Tribune “ Remarkable . . . likely to appeal to readers who enjoy the multi-generational novels of Amy Tan. ” —Bookreporter “ Jamie Ford is a first-rate novelist, and with Songs of Willow Frost he takes a great leap forward and demonstrates the uncanny ability to move me to tears. ” —Pat Conroy “ With vivid detail, Jamie Ford brings to life Seattle's Chinatown during the Depression and chronicles the high price those desperate times exacted from an orphaned boy and the woman he believes is his mother. Songs of Willow Frost is about innocence and the loss of it, about longing, about the power of remembered love. ” —Nancy Horan, author of Loving Frank “ Ford's boundless compassion for the human spirit, in all its strengths and weaknesses, makes him one of our most unique and compelling storytellers. ” —Helen Simonson, author of Major Pettigrew's Last Stand

Dreamology Lucy Keating 2016-04-12 Vibrantly offbeat and utterly original, Lucy Keating's debut novel combines the unconventional romance of *Eternal Sunshine of the Spotless Mind* with the sweetness and heart of *Jenny Han*. For as long as Alice can remember, she has dreamed of Max. Together, they have traveled the world and fallen deliriously, hopelessly in love. Max is the boy of her dreams—and only her dreams. Because he doesn't exist. But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing like Dream Max. He's stubborn and complicated. And he has a whole life Alice isn't a part of. Getting to know each other in reality isn't as perfect as Alice always hoped. Alarmingly, when their dreams start to bleed into their waking hours, the pair realize that they might have to put an end to a lifetime of dreaming about each other. But when you fall in love in your dreams, can reality ever be enough?

Leibniz Maria Rosa Antognazza 2008-10-06 Of all the thinkers of the century of genius that inaugurated modern philosophy, none lived an intellectual life more rich and varied than Gottfried Wilhelm Leibniz (1646 – 1716). Maria Rosa Antognazza's pioneering biography provides a unified portrait of this unique thinker and the world from which he came. At the centre of the huge range of Leibniz's apparently miscellaneous endeavours, Antognazza reveals a single master project lending unity to his extraordinarily multifaceted life's work. Throughout the vicissitudes of his long life, Leibniz tenaciously pursued the dream of a systematic reform and advancement of all the sciences. As well as tracing the threads of continuity that bound these theoretical and practical activities to this all-embracing plan, this illuminating study also traces these threads back into the intellectual traditions of the Holy Roman Empire in which Leibniz lived and throughout the broader intellectual networks that linked him to patrons in countries as distant as Russia and to correspondents as far afield as China.

Only in Naples Katherine Wilson 2016 "In the tradition of M.F.K. Fisher and Peter Mayle, this ... memoir follows American-born Katherine Wilson on her adventures abroad, where a three-month rite of passage in Naples turns into a permanent embrace of this boisterous city on the Mediterranean. It is all thanks to a surprising romance, a new passion for food, and a spirited woman who will become her mother-in-law--and teach her to laugh, to seize joy, and to love"--

Michelangelo's Poetry and Iconography in the Heart of the Reformation Ambra Moroncini 2017-04-07 Contextualizing Michelangelo's poetry and spirituality within the framework of the religious *Zeitgeist* of his era, this study investigates his poetic production to shed new light on the artist's religious beliefs and unique language of art. Author Ambra Moroncini looks first and foremost at Michelangelo the poet and proposes a thought-provoking reading of Michelangelo's most controversial artistic production between 1536 and c.1550: *The Last Judgment*, his devotional drawings made for Vittoria Colonna, and his last frescoes for the Pauline Chapel. Using theological and literary analyses which draw upon reformist and Protestant scriptural writings, as well as on Michelangelo's own rime spirituali and Vittoria Colonna's spiritual lyrics, Moroncini proposes a compelling argument for the impact that the Reformation had on one of the greatest minds of the Italian Renaissance. It brings to light how, in the second quarter of the sixteenth century in Italy, Michelangelo's poetry and aesthetic conception were strongly inspired by the revived *theologia crucis* of evangelical spirituality, rather than by the *theologia gloriae* of Catholic teaching.

Études Sur Les Glaciers Louis Agassiz 2012-07-05 The revolutionary glacial theory, proposed in this work of 1840, contributed to the demise of the myth of the great biblical flood.

Cooking, Eating, Thinking Deane W. Curtin 1992-08-22 Philosophy has often been criticized for privileging the abstract; this volume attempts to remedy that situation. Focusing on one of the most concrete of human concerns, food, the editors argue for the existence of a philosophy of food. The collection provides various approaches to the subject matter, offering new readings of a number of texts—religious, philosophical, anthropological, culinary, poetic, and economic. Included are readings ranging from Plato's Phaedo and Verses of Sen-No-Rikyu to Peter Singer's "Becoming a Vegetarian" and Jean-François Revel's Culture and Cuisine. This reader will have particular appeal for philosophers working in social theory, feminist theory, and environmental ethics, and for those working on alternative approaches to such traditional subject areas as epistemology, aesthetics, and metaphysics.

Il libro segreto del Graal Fabio Delizzos 2015-06-04 Un grande thriller storico La reliquia più ricercata della storia sta per essere ritrovata 1209. Mentre in Provenza sta infuriando la crociata contro gli eretici catari e nella città di Besi è rs si sta compiendo un massacro, un templare chiamato Cercamon arriva in missione per conto del gran maestro dell'Ordine, con il compito di recuperare la più preziosa delle reliquie. Nella contea di Moriana-Savoia, intanto, un valoroso cavaliere di nome Pius di Rossocuore, grande appassionato dei racconti sul Graal, è impegnato a difendere l'onore e il castello di una dama, Iselda di Occitania, accusata di essere un'eretica. La bella nobildonna è costretta a vivere al buio per una grave malattia e Pius vuole aiutarla a guarire. Per questo crede ciecamente nell'esistenza del Graal e nelle sue qualità miracolose. E la speranza di ritrovarlo si accende in lui proprio quando, nella contea, si presenta Cercamon. I due cavalieri si lanceranno così in una ricerca avventurosa — tra indizi e inganni, magie e ostacoli, nemici e insospettabili alleati — ma finiranno inevitabilmente per scoprire molto più di quanto mai avrebbero potuto immaginare. Il gran maestro dell'ordine ha parlato: la preziosa reliquia deve essere recuperata Un autore tradotto in Russia, Spagna, Serbia e Polonia Hanno scritto dei suoi libri: « Delizzos ha impostato un complesso thriller che regge fino alla fine, un romanzo che avvince, con un'ottima scrittura e una felice costruzione della struttura del racconto. » La Repubblica « Thriller esoterico dal ritmo inesorabile e incalzante che porta alla scoperta di un mistero che si dipana attraverso i secoli, tra alchimia, inquisizione e segreti barocchi. » Il Giornale « Il thriller storico può contare su un altro lavoro di spicco. » BBC History Fabio Delizzos Nato a Torino nel 1969, è cresciuto in Sardegna e attualmente vive a Roma. Laureato in filosofia, creativo pubblicitario, per la Newton Compton ha già pubblicato con grande successo di pubblico e critica i romanzi La setta degli alchimisti, La cattedrale dell'Anticristo, La loggia nera dei veggenti e I peccati del Papa.
