### *Safety Training - National Safety Council*

NSC safety training is trusted worldwide. Armed with the latest research, NSC experts start by incorporating OSHA compliance regulations into the courses they design. But NSC courses go way beyond these basics to include global best practices to prevent injuries and death. Workplace Building a safety culture begins with a well-trained workforce.

### [United States National Security Council - Wikipedia](#)

The United States National Security Council (NSC) is the principal forum used by the President of the United States for consideration of national security, military,

and foreign policy matters. Based in the White House, it is part of the Executive Office of the President of the United States, and composed of senior national security advisors and Cabinet officials.
