The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martin, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

The Poky Little Puppy Janette Sebring Lowrey 2011 One night a puppy, who is always late coming home finds there is no dessert for him. On board pages.

Little Mommy Sharon Kane 2008-04-08 This delightful story about an adorable little girl caring for her dolls makes for a perfect read-a-loud this Mother's Day! Golden Legacy Leonard S. Marcus 2017-02-14 Back in print, the fascinating history of Little Golden Books, in celebration of their 75th anniversary in 2017! With a Foreword by Eric Carle. Eminent children's historian Leonard Marcus' Golden Legacy chronicles the fascinating story of the creation, marketing, and worldwide impact of Little Golden Books, the most popular children's books of all time. Launched during the dark days of WWII, Golden Books such as *The Poky Little Puppy* were an instant sensation. Hallmarked by their superlative quality yet affordable to nearly all, they changed the cultural landscape and mirrored our changing postwar culture: the powerful influence of television, the post-Sputnik renaissance in American science education, and the birth of the civil rights movement. Lavishly illustrated with the iconic Golden Book covers and colorful artwork generations of children have pored over, *Golden Legacy* is a compelling tale of mavericks, innovators, and renowned authors and illustrators. . . a stirring celebration of the humble books in which we scrawled our names, with the cardboard cover and the shiny gold-foil spine.
