When a freak blizzard hits this remote island off the coast of Alaska, the duo seeks shelter overnight in a dilapidated hunting cabin. Their harrowing ordeal goes from bad to worse when wind-driven snow forces them to risk an alternate route. Stranded in the untamed wilderness, they must rely on each other—as well as their faithful huskies—to survive sub-zero temperatures and bone-numbing exhaustion. Worse still, their food supply is dangerously low. The most daunting decision comes when the strongest dog runs away. One person must go for help, while one must stay behind. Either way, they'll both be alone in the wild for an uncertain amount of time.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Mart í n, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love

And her whole family attends the March on Washington for Jobs and Freedom. But things don't always feel easy for Sharon. She is one of the only Black children in her wealthy Connecticut neighborhood.
