**The Man Who Hated Women** — Amy Sohn 2021-07-06 *Smithsonian Magazine*, 10 Best History Books of 2021 • "Fascinating . . . Purity is in the mind of the beholder, but beware the man who vows to protect yours." —Margaret Talbot, *The New Yorker* Anthony Comstock, special agent to the U.S. Post Office, was one of the most important men in the lives of nineteenth-century women. His eponymous law, passed in 1873, penalized the mailing of contraception and obscenity with long sentences and steep fines. The word Comstockery came to connote repression and prudery. Between 1873 and Comstock's death in 1915, eight remarkable women were charged with violating state and federal Comstock laws. These "sex radicals" supported contraception, sexual education, gender equality, and women's right to pleasure. They took on the fearsome censor in explicit, personal writing, seeking to redefine work, family, marriage, and love for a bold new era. In *The Man Who Hated Women*, Amy Sohn tells the overlooked story of their valiant attempts to fight Comstock in court and in the press. They were publishers, writers, and doctors, and they included the first woman presidential candidate, Victoria C. Woodhull; the virgin sexologist Ida C. Craddock; and the anarchist Emma Goldman. In their willingness to oppose a monomaniac who viewed reproductive rights as a threat to the American family, the sex radicals paved the way for second-wave feminism. Risking imprisonment and death, they redefined birth control access as a civil liberty. *The Man Who Hated Women* brings these women's stories to vivid life, recounting their personal and romantic travails alongside their political battles. Without them, there would be no Pill, no Planned Parenthood, no Roe v. Wade. This is the forgotten history of the women who waged war to control their bodies.

**The Memoirs of Catherine the Great** — Catherine the Great 2007-12-18 Empress Catherine II brought Europe to Russia, and Russia to Europe, during her long and eventful reign (1762–96). She fostered the culture of the Enlightenment and greatly expanded the immense empire created by Czar Ivan the Terrible, shifting the balance of power in Europe eastward. Famous for her will to power and for her dozen lovers, Catherine was also a prolific and gifted writer. Fluent in French, Russian, and German, Catherine published political theory, journalism, comedies, operas, and history, while writing thousands of letters as she corresponded with Voltaire and other public figures. *The Memoirs of Catherine the Great* provides an unparalleled window into eighteenth-century Russia and the mind of an absolute ruler. With insight, humor, and candor, Catherine presents her eyewitness account of history, from her whirlwind entry into the Russian court in 1744 at age fourteen as the intended bride of Empress Elizabeth I's nephew, the eccentric drunkard and future Peter III, to her unhappy marriage; from her two children, several miscarriages, and her and Peter's numerous affairs to the political maneuvering that enabled Catherine to seize the throne from him in 1762. Catherine's eye for telling details makes for compelling reading as she describes the dramatic fall and rise of her political fortunes. This definitive new translation from the French is scrupulously faithful to her words and is the first for which translators have consulted original manuscripts written in Catherine's own hand. It is an indispensable work for anyone interested in Catherine the Great, Russian history, or the eighteenth century.

Here is a story of a great civilization made human, played out through the lives of four families who are divided by ethnicity but united in shaping the destiny of their land. "Rutherfurd's *RUSSKA* succeeds...[He] can take his place among an elite cadre of chroniclers such as Harold Lamb, Maurice Hindus and Henri Troyat." SAN FRANCISCO CHRONICLE

**Speeches that Changed the World** Simon Sebag Montefiore 2015-05-12 Comprehensively updated with many new speeches including Earl Spencer's lament to "The extraordinary and irreplaceable Diana", Nikita Khrushchev's secret speech of 1956 signalling the beginning of the end of Stalinist Russia, Patrick Pearse's rousing funeral oration that fanned the flames of the Easter Rising, Kevin Rudd's historic apology to Australia's mistreated Aborigines and Barack Obama's momentous US election night victory speech. Alongside these are the finest war cries of Winston Churchill, Martin Luther King's prophetic "I have a dream" and "I've seen the promised land" speeches, the inspiring words of JFK and impassioned pleas from Nelson Mandela—the first at his trial in 1964 and the second on his election as president of South Africa in 1994. In addition are historic speeches from Elizabeth I, Charles I, Oliver Cromwell, George Washington, Napoleon Bonaparte, Abraham Lincoln, Emmeline Pankhurst, Mahatma Gandhi, Vladimir Lenin, Neville Chamberlain, Adolf Hitler, Joseph Stalin, Franklin D. Roosevelt, Charles de Gaulle, General George S. Patton, J Robert Oppenheimer, Mao Zedong, Malcolm X, Richard M. Nixon, Pope John Paul II, Vaclav Havel, Elie Wiesel, Mikhail Gorbachev and many other great historical figures. *Speeches that Changed the World* presents over 50 momentous and thought-provoking speeches from throughout history. **The Northern Clemency** Philip Hensher 2008-10-22 In 1974, the Sellers family is transplanted from London to Sheffield in northern England. On the day they move in, the Glover household across the street is in upheaval: convinced that his wife is having an affair, Malcolm Glover has suddenly disappeared. The reverberations of this rupture will echo through the years to come as the connection between the families deepens. But it will be the particular crises of ten-year-old Tim Glover—set off by two seemingly inconsequential but ultimately indelible acts of cruelty—that will erupt, full-blown, two decades later in a shocking conclusion. Expansive and deeply felt, *The Northern Clemency* shows Philip Hensher to be one of our most masterly chroniclers of modern life, and a storyteller of virtuosic gifts.
