**Spy** 1996-06 Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the way we think about magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and fun as hell. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

**The Sex Life of the Game Maker** Michael Knerr 2013-03-25 Beth Danson was about twenty-five and, besides her deep auburn-brown hair and lovely face, she boasted an equally attractive body. He found her captivated by the warm thrust of her breasts beneath the silk blouse. The clear milk of her breasts and the "V" of her throat excited him in a strange way. When he thought of her as his wife, it was frightening as though someone had tossed him a woman and expected him to just fall into the routine of marriage. It wouldn't be hard to come to love this woman, but it would take awhile. Hell, he didn't love her. She was a complete stranger who had suddenly told him they were married. There was nothing familiar about her; even the fingers that were softly working over his face were alien.

Only then will she tempt him with what he really wants: her, all tied up with a

**Amortality** Catherine Mayer 2011-05-12 Does your real age match the age you feel? When do we reach middle age? When, if ever, are we old? The way we age and the way we perceive age has changed radically. As we embrace new experiences, relationships and gadgets, we barely stop to look at the clock. Watches let alone consider whether our behaviour is 'age appropriate'. In this provocative and thought-provoking book, Catherine Mayer looks at the forces that created amortality - the term she coined to describe the phenomenon of living agelessly. As she follows this social epidemic through generations and across continents, she reveals its profound impact on society, our careers, our families and ourselves. Are we defined by numbers? Are you amortal?
