How to Spell a Word | YourDictionary

With that in mind, here are a few hints to help you through tough spelling situations: Remember the old adage: "I before E except after C." Sound out words. This method won't always work. However, it'll at least put you on a pathway to the proper spelling. If two vowels are next to each other in a word, the second vowel is silent. For example, in the word coat, you only hear the "O" pronounced.
