We Set the Dark on Fire by Flor Kay Mejia 2019-02-26 "We Set the Dark on Fire burns bright. It will light the way for a new generation of rebels and lovers." —NPR "Mejia pens a compelling, gripping story that mirrors real world issues of immigration and equality." —Buzzfeed Five starred reviews!! In this daring and romantic fantasy debut perfect for fans of Handmaid's Tale and Latinx authors Zoraida Córdova and Anna-Marie McLemore, society wife-in-training Dani has a great awakening after being recruited by rebel spies and falling for her biggest rival. At the Medio School for Girls, distinguished young women are trained for one of two roles in their polarized society. Depending on her specialization, she will graduate will one day run a husband's household or raise his children. Both paths promise a life of comfort and safety from the frequent political uprisings of the lower class. Daniela Vargas is the school's top student, but her pedigree is a liability. She must keep the truth hidden or be sent back to the fringes of society. And school couldn't prepare her for the choices she must make after graduation, especially when she is asked to spy for a resistance group desperately trying to bring equality to Medio. Will Dani cling to the privilege her parents fought to win for her, or will she give up everything she's strived for in pursuit of a free Medio—and a chance at a forbidden love?

The Edge of the Sword: Israel's War of Independence 1947-1949 Netanel Lorch 2019-07-31 Netanel Lorch, who fought as an officer in Jerusalem during Israel's War of Independence and later founded the Israel Defense Forces' Historical Section, offers a detailed military history of the years 1947-49. The book begins with the tensions of the British Mandate period in Palestine, including the international debates over proposed boundaries for the new Jewish state, and the chaos that followed the British evacuation, the invasion of five Arab armies supported by guerrilla fighters inside the Mandate, the defeat of the Arab armies, and the signing of armistice agreements at Rhodes. It surveys the strength, weaknesses and manpower of Jewish and Arab forces and describes the strategies and tactics used in operations launched together with the results of the battles that led to Israel's pre-1967 borders. "In splendidly crisp, frugal but always thorough narrative, Col. Netanel Lorch relates how Israel won her life with 'The Edge of the Sword.' It is an apt title for the deployment of bare facts, devoid of speculative afterthoughts, almost devoid of comment... I rate this book a superb work, absorbing to a student of war, a fit memorial to heroic events passing comprehension." — The New York Times "A minute in its detail, meticulous in its completeness, matter of fact in its style... but, professional objectivity notwithstanding, he offers a penetrating insight into the passions and purposes that underlay this struggle." — Herbert Kupferberg, New York Herald Tribune "Lorch... was fortunate in holding a position in which he was able to obtain and sift much data normally available to the public. This he has done admirably... It is a timely, comprehensive book... clearly a must on the bookshelf of everyone who takes an interest in military matters or in the Middle East." — Edgar O'Ballance, The London Times "... a fascinating work. The book teems with technical details and military terms; it gives blow by blow the every campaign, and almost every action." — Marvin Lowenthal, Jewish Social Studies "Genuine history, admirably written..." — Bernard Fergusson, London Daily Telegraph "[Lorch] writes with a clarity quite unusual in military specialists... superbly written and fascinating." — The Cape Argus, Capetown "The most detailed and most searched this momentous little war which has yet been published. It is also remarkably readable... it teaches quietly and without brashness, a number of salutary lessons, strategic and tactical, logistic and moral, which every soldier ought to know. Lorch's narrative is as candid as it is well marshalled. He is not sparing in his criticism of Israeli mistakes. He does not sneer and he does not exult." — Journal of the Royal United Services Institution

The Unincorporated Woman Dani Kollin 2011-08-16 There's a civil war in space and the unincorporated woman is everywhere. The epic continues. The award-winning saga of a revolutionary future takes a new turn. Justin Cord, the unincorporated man, is dead, betrayed, and his legacy of rebellion and individual freedom is in danger. General Black is the great leader of the military, but she cannot wage war from behind the President's desk. So there must be a new president, and who better to hold the desk job, and who better than the only woman resurrected from Justin Cord's past era, the scientist who invented his resurrection device, the only born unincorporated woman. The perfect figurehead. Except that she has ideas, secrets and secrets of her own, and the talent to run the government her way. She is a force that no one anticipated, a woman in control. The first novel in this thought-provoking series, The Unincorporated Man, won the 2009 Prometheus Award for best novel. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied to the text.

Cul-de-sac by Joy Fielding 2021-08-10 A shooting lays bare the secrets harbored by five families in a sleepy suburb. A cul-de-sac in this riveting psychological thriller from the New York Times bestselling author of *All the Wrong Places*. "Cul-de-sac proves once again that Joy Fielding is an ingenious master of domestic suspense."—Samantha M. Bailey, USA Today national bestselling author of *Woman on the Edge* Someone on this quiet, unassuming cul-de-sac will be shot dead in the middle of a sultry July night. Will it be Maggie, the perfectionist wife, or Craig, the husband who can't quite live up to expectations? They've packed up their two children and fled their life in California, hoping for a fresh start in Florida to find the demons of the past hovering on their doorstep. Maybe it will be Nick, a highly respected oncologist, or Dani, a successful dentist, both with well-kept secrets of their own. Or perhaps the victim will be Julia, an elderly woman whose troubled grandson has recently moved in with her, introducing unsavory habits and even more unsavory acquaintances into her formerly quiet existence. Then there's Olivia and her husband, Sean. Having lost his job at a prestigious advertising agency, Sean is depressed, resentful of his working wife, and drinking heavily. He is also plagued by increasingly violent fantasies. And what of the newlyweds, Aiden and Heidi, whose marriage is already on the rocks because of Aiden's reluctance to stand up to his intrusive mother? Matters aren't helped when Heidi befriends Julia's grandson, setting the stage for a major blowup. A diverse group of neighbors, to be sure. Yet all harbor secrets. All bear scars. And all have access to guns. Not all will survive the night.

Flotilla 13 by Ze'ev Almog 2013-07-10 Flotilla 13 is the elite naval commando unit of the Israeli Defense Forces that specializes in maritime-related combat and counter-terrorist missions. To maintain secrecy, few of its missions have now been made public. With this book, the unit's commander, Rear Adm. Ze'ev Almog, unveils the amazing story of Flotilla 13. For the first time he offers details of many of the unit's operations during the War of Attrition and the Yom Kippur War (1968-1973), including the raids on the Adabiya coastal post and the Green Island fortress that resulted in heavy losses to the enemy and a strategic change in Israel's combat arena. He candidly discusses his unit's despair following operations prior to this period and describes how Flotilla 13 was transformed into a unit of high morale and performance. First published in Hebrew in 2007, this revealing account of what went on is now available in English.

The Calculated Series by Lee 2020-11-20 The Calculated Series is now available in one convenient collection. Strong heroines in STEM, formidable adversaries, and a dash of romance in every book. The Calculated Series: Book 1 includes the following books: *Calculated Deception* (Book 1) *Calculated Contagion* (Book 2) *Calculated Sabotage* (Book 3) *Calculated Reaction* (Book 4) *Calculated Entrapment* (Book 5) *Calculated Deception* (Book 1) Dr. Ree Ryland is an engineering professor who loves her job and plays by the rules. Her life is reassuringly predictable – until an unexpected plain sight decides her squeaky-clean reputation is the perfect cover to commit a crime. When Agent Parker Lane and his FBI team discover that someone at the university has been procuring military-grade hardware by disguising it as academic equipment, all evidence points to Ree. After the FBI intercepts a shipment that puts Ree in the clear, Parker is forced to tell her that she's being used as a pawn by an unseen enemy. And now she's in that enemy's crosshairs. Ree turns down the protective detail offered by the FBI and insists on using her inside knowledge to help with the investigation. Parker is bringing a civilian on to the team, but he's surprised at how much fun he has working with Ree, even as he tries to keep her out of harm's way. Parker, Ree, and the FBI team find increasingly worrying evidence that someone is quietly accumulating everything they need to cause destruction on a massive scale. Now, they must uncover the motive and identity of the person hiding among Ree's friends and colleagues before it's too late. *Calculated Contagion* (Book 2) Dani Christensen is a vaccine researcher who has spent her career proving she is more than just the daughter of the company's CEO. As her accomplishments in contagious disease research grow, the wrong people begin to notice. When Dani is isolated from her colleagues at a well-regarded conference in Europe, she is kidnapped and taken to an isolated camp in the Carpathian Mountains. CIA officers Cam Mitchell and Tyler Scott are sent to observe a suspicious group of armed men in rural Romania. When Cam sees Dani being brought into the camp against her will, he and his partner rescue her and bring her safely back to the United States. The CIA initially believes Dani was kidnapped for ransom, but they soon realize the kidnapper has followed her back to her lab. Now, the CIA must work with their allies in the FBI to catch Dani's kidnapper before he releases a potentially deadly contagion for his own political gain. *Calculated Sabotage* (Book 3) CIA operative Quinn King will do whatever it takes to find the person who killed her partner. She follows the evidence to Rocket Technologies, a start-up company and current darling of the rocket world. Their most recent launch, however, ended in an explosion that Quinn believes is connected to her partner's death. The CIA sends Cam Mitchell to provide backup for Quinn — and to make sure she isn't too emotionally invested. With Cam watching her back, Quinn embeds herself in the company and soon discovers there is more to the failed launch than IRT has shared with the public. And someone has a vested interest in keeping that information under wraps. When the CIA finds new evidence that someone is actively sabotaging the launch, they call in Parker, Ree, and Mike from the FBI to help manage a growing number of loose ends. However, once the

Quinn realize why the rocket is being sabotaged, it puts them right in the crosshairs of a killer. Calculated React Special Agent Alexis Thompson is eager to get back to work after getting shot on her last FBI assignment. When she discovers that the man who ordered the hit has sent one of his spies to an energy research facility, Alexis convinces Matt to send her to take him down. This time, Alexis is bringing along her new partner, Waffle, a highly-trained explosives detection dog. Matt Brown is a former Navy SEAL who is now working as an engineering professor. He also helps CIA Operations Officer Cam Mitchell, whenever his skills are needed. When Alexis goes undercover, Cam sends Matt to try to keep Alexis from coming home in a body bag. Matt and Alexis soon discover that their enemy's plans go beyond good old-fashioned espionage. With the clock ticking, Alexis and Matt must figure out how to stop a dangerous threat before they become collateral damage. **Calculated Entrapment (Book 5)** Stefanie Ryland is a marine biologist who is going exactly to plan. She's worked her way up the corporate ladder to land her dream job at the Oceanic Exploration Group and has a fulfilling personal life. Not to mention, her older sister, Ree, is soon going to make her the world's aunt. However, a surprise phone call from Ree forces Stefanie to reevaluate everything she thought she knew. Matt has her sister been secretly moonlighting for the FBI and CIA, but Ree has also helped thwart several dangerous attacks. The team believes that Dmitri, the man behind the attacks, has made the OEG his next target. For CIA Operations Officer Pacelli, putting Dmitri out of play isn't just his job, it's unfinished business. When the CIA and the FBI ask Stefanie to help them take Dmitri down, Joey travels to San Francisco to protect her. Teaming up with Stefanie is the perfect plan for Joey to beat his old nemesis at his own game. There's just one problem – Dmitri is playing by an entirely new set of rules. **Firekeeper's Daughter** Angelina Boulley 2021-03-16 A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK An Instant #1 New York Times Bestseller Soon to be adapted at Netflix for TV with President Barack Obama and Michelle Obama's production company, Higher Ground. Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis is put on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her high school Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new weapon. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and lies. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than helping the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Ojibwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known. **Portland Storm: Over the Ice** Catherine Gayle 2018-06-21 USA Today bestselling author Catherine Gayle presents another boxed set of two novels and a novella in the emotional, bestselling Portland Storm hockey romance series. **DEFENSIVE ZONE** Portland Storm defenseman Cody "Harry" Williams owes his coach everything—especially for bailing him out of trouble in the past. How does he want Cody to repay him? By keeping his hands to himself around the coach's scheming, mischievous daughter. All signs point to this task being easier said than done... Up-and-coming fashion designer Mackenzie always gets what she wants—and she wants Cody Williams. Cody's sexy, geeky-chic bowties and hard-to-get attitude make her want him more, and now Cody's resistance is fading...and fast. One call is all it would take to land Cody, but a trading block, ending their flirtation before it gains any traction. Cody is squarely in the Defensive Zone, but the challenge is for the two of them to obtain what they really want is to go on the offensive—together. **POWER PLAY** She's got the honeymoon. Why not tie the knot? Honeymooning alone in Cabo, injured Portland Storm center Riley Jezek has nothing to get back at his cheating ex-fiancée and backstabbing brother. When a knockout blonde sits next to him, Riley's ready to erase the memories of his ex. But when he notices the tears threatening to stain the blonde's vision, Riley decides it's time for a Power Play. Mackenzie Cain thought she had it all figured out. She found the man. She's got a fairytale. She thought it was her dream come true. She was wrong. What she found was a nightmare with a cruel twist. Alone and dressed in couture was not how she envisioned spending her wedding night. When the sexy hockey player offers her an offer, Mackenzie can't refuse. After all, Prince Charming always shows up by chance. But can Riley's attempt at revenge turn Mackenzie's new reality into a page-turning romance? **NEUTRAL ZONE** Being stuck in the Neutral Zone is the way to live... Portland Storm defenseman Cole Paxton never intended to be the poster boy for gay hockey players. Whether intended or not, that's exactly what he's become—ever since innocently attempting to deflect the attention away from his teammate during the playoffs. One little admission, and now his private life is making headlines. Luke Weber would have never had the chance to bask in Cole's limelight. After all, he's never had the pro hockey career he envisioned. If he'd stayed in

maybe that spotlight would have been his. He'll never know the truth, now that the doors to his dream career have been slammed shut. With everything out in the open, there's no denying the attraction they feel for each other. Cole and Brooke have to move forward—together. But to do so, they'll each have to let go of the lives they'd imagined for themselves. Can strong men relinquish the fantasies of their futures to make their real dreams come true?

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A hammer. A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's the only way. Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun, to the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun is Buck. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waving a lit cigarette and a trail of smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And she had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wanted was to get to that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSE the elevator, goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother comes on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END. Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly honest look at teenage gun violence, as could only be told by Jason Reynolds.

In High Places by David Holland 2019-04-18 Ever since the death of his wife, Lina, in a Kabul bombing, Aubrey Savage has determined to fulfil his promise to her: to find out what happened to her brother, Jarrah, a disavowed MI5 agent who has been missing for two years. An ex-SAS officer, Savage is used to noticing the small things. So when he offers a terrified runaway bride on the moors, he knows there's more to her story than meets the eye. But when she is immediately, leaving behind a holdall and a Glock that he recognises to be that of an MI5 agent, he is thrust into a world of corruption, and a threat that's all too close to home...

Jonathan's Secret by A. Evans 2012-06-22 This is the story of Jonathan Broxton who is a forty-something sexually repressed man who finds that he has accomplished everything in life that he strove to attain. He is wealthy beyond belief, has an unmeasurable intellect, and is bored. He sits down with his father to discuss his situation, and they outline several alternatives that may re-engage his interests and bring back his enthusiasm for life. Father and son finally settle on declaring war against illegal arms dealers. They intend to do this by creating an opportunity for dealers to participate in a competitive auction to sell a wide range of illegal weapons and explosives. When as many of the illegal arms dealers as could be convinced to participate have collected the desired weaponry, they are invited to participate in a bidding auction in which one offers the best price. But at the exact time of the planned auction--and unbeknown to the bidders--J

to explode all of the weapons, dealers, and their warehouses in which the weaponry is stored. Hopefully the successful execution of this plan will help restore Jonathans feelings of accomplishment and self-respect. Ride with Jonathan and a beautiful ex-CIA black ops operative Dani as they set about executing their plan and overcoming the many challenges they encounter. Will they succeed thwarting the arms dealers? How will they deal with the uncertainties of their counter-moves? Whether they are successful or get thwarted hangs in the balance until the bitter end, when Jonathan reveals his painful secret.

Pre-Incident Indicators of Terrorist Incidents L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that exist between group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists were planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,2 to 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1969 to 2001. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of actual terrorist incidents. Illustrations.

Bleeders Slim Franz 2011-10-13 The FBI transferred Special Agent Tom Sellinger to its Atlanta Division for one reason: to capture a seemingly-invisible bank robber known as the Ghost. His robberies are all the same. He has no gun; he demands. He wears a ski mask, yet customers and tellers walk around him without a glance as he empties the cash. The only evidence left behind is his image on security footage, and a throng of people who swear no man entered the bank. Tom isn't spooked by the man's unusual ability; he's tracked people like this before, people that he designates as bleeders. But Tom's personal and professional lives slam together when his best friend's wife Dani becomes the first and only eyewitness to one of the Ghost's robberies. Now Tom's superiors want Dani to jeopardize her life and that of her family, without even telling her the risks. As Tom tries to protect her from the dangers, he must also be careful not to let Dani discover the real reason why a man can seem invisible, why only she can see the Ghost, or why Tom may be the biggest threat to her of all.

The Six Day War 1967 Simon Dunstan 2012-08-20 In May 1967, Egypt expelled the United Nations peacekeeping force stationed in the Sinai desert and deployed its army along its border with Israel, its moves coordinated with those of Jordan and Syria. By June, Israel realized that the international community would not act, and so it launched a pre-emptive strike against the combined Arab forces. The ensuing Six Day War was a crushing defeat for the Arab world, one that gave Israel control of the area controlled by Israel and which sowed the seeds for the Yom Kippur War of 1973 and the continuing strife in the Middle East. Written by the author of Osprey's *Yom Kippur War*, this volume covers the background to the war and the campaign to liberate the Egyptians in the Sinai Peninsula, including the initial devastating air assault that showed the world how vital air supremacy was in modern combat.

Searching for their lost brother, Draco, they come across Ariella Crimson in danger of being attacked. They remember her as a child, keeping watch as their parents visited. The Venificus, McFay, Crimson, and Sinclair pack are well connected. Ariella's all grown up, and their wolves are very interested. Being a Fae and Were, and having someone like her on her own, Ariella uses magic to keep her intended mates at bay. She's twenty-two, and not exactly ready to settle down, but once she becomes the hunted, and her special abilities tune her into what is about to happen, she allows her magic to lead her. She puts her own life in danger in order to locate Draco and will need all the power of their love and connection to protect their pack territory from annihilation. This is only the beginning, and Ariella's discovery is sure to change Were history for all of time. ** A Siren Erotic Romance

Inside Israel's Northern Command Dani Asher 2016-03-18 On October 6, 1973, Israel's Northern Command was surprised by the thunder of cannon fire and the sight of dense, black smoke. A Syrian force of 1,400 tanks supported by a superior power had attacked from the north while the Egyptian military invaded the Sinai Peninsula in the south. Although the Israeli ultimately prevailed, the Yom Kippur War (or Ramadan War, as it is known in Arab countries) shattered the illusion of Israeli invincibility. Inside Israel's Command offers a definitive history of the northern theater of this key conflict. Edited by Israel's foremost scholar of the war, Dani Asher, the contributors--Major General Yitzhak Hofi, Major General Uri

Simchoni, Brigadier General Avraham Bar David, and Colonel Hagai Mann--all held key positions during the fighting. Together, they offer fresh insight into the pivotal battles that changed the course of the war as well as the discredited a flawed postwar evaluation that adversely affected the careers of several high-ranking intelligence officials and the state of defense strategic planning thereafter. Featuring rare lists of the official citations of soldiers who were decorated for performance in combat, this seminal study contributes significantly to our understanding a troubled region. -- [Ba](#)

[The Unincorporated Future](#) Dani Kollin 2012-08-21 Sandra O'Toole is the president of the Outer Alliance, which stretches from the asteroid belt to the Oort Cloud beyond Pluto. Resurrected following the death of Justin Cord, the unincorporated man, O'Toole has become a powerful political figure and a Machiavellian leader determined to win the Civil War against the inner planets at almost any cost. And the war has been going badly, in part because of the great General Trang,

opponent for the brilliant J. D. Black. Choices have to be made to abandon some of the moral principles upon which the revolution was founded. It is a time of great heroism and great betrayal, madness, sacrifice, and shocking military actions. Nothing is predictable, even the behavior of artificial intelligences. There may be only one way out, but it is not so simple as the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Looking with Robert Gardner Rebecca Meyers 2016-09-20 Assesses the range and magnitude of Robert Gardner's achievements as a filmmaker, photographer, writer, educator, and champion of independent cinema. During his lifetime, Robert Gardner (1925–2014) was often pigeonholed as an ethnographic filmmaker, then criticized for failing to conform to the genre's conventions—conventions he radically challenged. With the release of his groundbreaking film *Dead Birds* in 1963, Gardner established himself as one of the world's most extraordinary independent filmmakers, working in the border area between ethnography, the essay film, and poetic/experimental cinema. Richly illustrated, *Looking with Robert Gardner* assesses the range and magnitude of Gardner's achievements not only as a filmmaker but also as a still photographer, writer, educator, and champion of independent cinema. The contributors give critical attention to Gardner's most ambitious films, such as *Dead Birds* (1963, New Guinea), *Rivers of Sand* (1975, Ethiopia), and *Forest of Bliss* (1975, India), as well as lesser-known films that equally exemplify his mode of seeking anthropological understanding through artistic means. They also attend to his films about artists, including his self-depiction in *Still Journey On* (2011), his roots in experimental film and his employment of experimental procedures; and to his support of independent filmmakers through the Harvard Film Study Center and the television series *Screening Room*, which provided an opportunity for numerous important film and video artists to present and discuss their work. Rebecca Meyers is a filmmaker and Film Programmer at Bucknell University, where she teaches in the Film/Media Studies program. She worked with Gardner as editor on his late films. William Rothman is Professor of Cinema and Interactive Media at the University of Miami. Among his numerous books are three published by SUNY Press: *Hitchcock: The Murderous Gaze*, *Second Sight*, and as editor, *Cavell on Film and Three Documentary Filmmakers: Errol Morris, Ross McElwee, and Jean Rouch*. Charles Warren is Lecturer on Film at Boston University and Associate of the Visual and Environmental Studies Department at Harvard University. He writes widely on film and has edited many books, including Gardner's *Making Dead Birds*, *Visual Representations*, and *Human Documents: Eight Photographers*.

The Egyptian Strategy for the Yom Kippur War Dan Asher 2009-09-12 This volume examines the military strategy and the political issues that Egyptian war planners faced during the 1973 Yom Kippur War. Of major interest is the relationship between political and military leaders and how that affected the buildup and course of the conflict. Taking this as a starting point, the author concentrates on how Soviet military doctrinal changes presented themselves between the conclusion of the Six Day War and the Yom Kippur War.
