The Unincorporated Woman Dani Kollin 2011-08-16 There's a civil war in space and the unincorporated woman is enlisted! The epic continues. The award-winning saga of a revolutionary future takes a new turn. Justin Cord, the unincorporated man, is dead, betrayed, and his legacy of rebellion and individual freedom is in danger. General Black is the great hope of the military, but she cannot wage war from behind the President's desk. So there must be a new president, anointed by Black, to hold the desk job, and who better than the only woman resurrected from Justin Cord's past era, the scientist who created his resurrection device, the only born unincorporated woman. The perfect figurehead. Except that she has ideas of her own, and secrets of her own, and the talent to run the government her way. She is a force that no one anticipated, and no one can control. The first novel in this thought-provoking series, The Unincorporated Man, won the 2009 Prometheus Award for best novel. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Portland Storm: Overtime Catherine Gayle 2018-06-21 USA Today bestselling author Catherine Gayle presents another boxed set of two novels and a novella in the emotional, bestselling Portland Storm hockey romance series. DEFENSIVE ZONE Portland Storm defenseman Cody "Harry" Williams owes his coach everything—especially for bailing him out of trouble in the past. How does he want Cody to repay him? By keeping his hands to himself around the coach's sensual and mischievous daughter. All signs point to this task being easier said than done... Up-and-coming fashion designer Dani Weber always gets what she wants—and she wants Cody Williams. Cody's sexy, geeky-chic bowties and hard-to-get attitude only make her want him more, and now Cody's resistance is fading...and fast. One call is all it would take to land Cody on the trading block, ending their flirtation before it gains any traction. Cody is squarely in the Defensive Zone, but the only way for the two of them to obtain what they really want is to go on the offensive—together. POWER PLAY She's got the dress; he's got the honeymoon. Why not tie the knot? Honeymooning alone in Cabo, injured Portland Storm center Riley Jezek would do anything to get back at his cheating ex-fiancée and backstabbing brother. When a knockout blonde sits next to him at the bar, Riley's ready to erase the memories of his ex. But when he notices the tears threatening to stain the blonde's wedding gown, Riley decides it's time for a Power Play. Mackenzie Cain thought she had it all figured out. She found the man. She found the fairytale. She thought it was her dream come true. She was wrong. What she found was a nightmare with a crazy fetish. All alone and dressed in couture was not how she envisioned spending her wedding night. When the sexy hockey player makes her an offer, Mackenzie can't refuse. After all, Prince Charming always shows up by chance. But can Riley's attempt at revenge turn Mackenzie's new reality into a page-turning romance? NEUTRAL ZONE Being stuck in the Neutral Zone is no way to live... Portland Storm defenseman Cole Paxton never intended to be the poster boy for gay hockey players. Whether intended or not, that's exactly what he's become—ever since innocently attempting to deflect the attention away from another teammate during the playoffs. One little admission, and now his private life is

making headlines. Luke Weber would love the chance to bask in Cole's limelight. After all, he's never had the pro hockey career he envisioned. If he'd stayed in the closet, maybe that spotlight would have been his. He'll never know the truth, now that the doors to his dream career have been slammed shut. With everything out in the open, there's no denying the attraction they feel for each other. Cole and Luke want to move forward-together. But to do so, they'll each have to let go of the lives they'd imagined for themselves. Can two strong men relinquish the fantasies of their futures to make their real dreams come true?

The Six Day War 1967 Simon Dunstan 2012-08-20 In May 1967, Egypt expelled the United Nations peacekeeping forces stationed in the Sinai desert and deployed its army along its border with Israel, its moves coordinated with those of Jordan and Syria. By June, Israel realized that the international community would not act, and so it launched a pre-emptive strike against the combined Arab forces. The ensuing Six Day War was a crushing defeat for the Arab world, one that tripled the area controlled by Israel and which sowed the seeds for the Yom Kippur War of 1973 and the continuing strife in the region. Written by the author of Osprey's Yom Kippur War, this volume covers the background to the war and the campaign against the Egyptians in the Sinai Peninsula, including the initial devastating air assault that showed the world how vital air supremacy was in modern combat.

Inside Israel's Northern Command Dani Asher 2016-03-18 On October 6, 1973, Israel's Northern Command was surprised by the thunder of cannon fire and the sight of dense, black smoke. A Syrian force of 1,400 tanks supported by artillery and air power had attacked from the north while the Egyptian military invaded the Sinai Peninsula in the south. Although Israel ultimately prevailed, the Yom Kippur War (or Ramadan War, as it is known in Arab countries) shattered the illusion of Israeli invincibility. Inside Israel's Command offers a definitive history of the northern theater of this key conflict. Led by Israel's foremost scholar of the war, Dani Asher, the contributors--Major General Yitzhak Hofi, Major General Uri Simchoni, Brigadier General Avraham Bar David, and Colonel Hagai Mann--all held key positions during the fighting. Together, they offer fresh insight into the pivotal battles that changed the course of the war as well as the disastrous effects of a flawed postwar evaluation that adversely affected the careers of several high-ranking intelligence officials and the course of defense strategic planning thereafter. Featuring rare lists of the official citations of soldiers who were decorated for their performance in combat, this seminal study contributes significantly to our understanding a troubled region. -- Back cover.

Cul-de-sac Joy Fielding 2021-08-10 A shooting lays bare the secrets harbored by five families in a sleepy suburban cul-de-sac in this riveting psychological thriller from the New York Times bestselling author of All the Wrong Places. "Cul-de-sac proves once again that Joy Fielding is an ingenious master of domestic suspense."--Samantha M. Bailey, USA Today and #1 national bestselling author of Woman on the Edge Someone on this quiet, unassuming cul-de-sac will be shot dead in the middle of a sultry July night. Will it be Maggie, the perfectionist wife, or Craig, the husband who can't quite live up to her expectations? They've packed up their two children and fled their life in California, hoping for a fresh start in Florida, only to find the demons of the past hovering on their doorstep. Maybe it will be Nick, a highly respected oncologist, or his wife, Dani, a successful dentist, both with well-kept secrets of their own. Or perhaps the victim will be Julia, an elderly widow, whose troubled grandson has recently moved in with her, introducing unsavory habits and even more unsavory acquaintances into her formerly quiet existence. Then there's Olivia and her husband, Sean. Having lost his job at a prestigious advertising agency, Sean is depressed, resentful of his

working wife, and drinking heavily. He is also prone to increasingly violent fantasies. And what of the newlyweds, Aiden and Heidi, whose marriage is already on the rocks, due to Aiden's reluctance to stand up to his intrusive mother? Matters aren't helped when Heidi befriends Julia's grandson, setting the stage for a major blowup. A diverse group of neighbors, to be sure. Yet all harbor secrets. All bear scars. And all have access to guns. Not all will survive the night.

Jonathan's Secret L.A. Evans 2012-06-22 This is the story of Jonathan Broxton who is a forty-something sexually ambivalent man who finds that he has accomplished everything in life that he strove to attain. He is wealthy beyond belief, has an unmeasurable intellect, and is bored. He sits down with his father to discuss his situation, and they outline several alternatives that may re-engage his interests and bring back his enthusiasm for life. Father and son finally settle upon declaring war against illegal arms dealers. They intend to do this by creating an opportunity for dealers to participate in a competitive auction to sell a wide range of illegal weapons and explosives. When as many of the illegal arms dealers they could convince to participate have collected the desired weaponry, they are invited to participate in a bidding auction to see which one offers the best price. But at the exact time of the planned auction--and unbeknown to the bidders--Jonathan plans to explode all of the weapons, dealers, and their warehouses in which the weaponry is stored. Hopefully the successful execution of this plan will help restore Jonathan's feelings of accomplishment and self-respect. Ride with Jonathan, his father and a beautiful ex-CIA black ops operative Dani as they set about executing their plan and overcoming the many obstacles they encounter. Will they succeed thwarting the arms dealers? How will they deal with the uncertainties of their opponents counter-moves? Whether they are successful or get thwarted hangs in the balance until the bitter end, when Jonathan reveals his painful secret.

Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions--and deaths--keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Dance with the Devil Kit Rocha 2022-08-16 USA Today and New York Times bestselling author Kit Rocha return to their explosive post-apocalyptic action/romance series, *The Mercenary Librarians*, with the next thrilling installment, *Dance with the Devil*. *POWER IS NEVER GIVEN, ONLY TAKEN* Tobias Richter, the fearsome VP of Security of the TechCorps is dead. The puppetmaster is gone and the organization is scrambling to maintain control by ruthlessly limiting Atlanta's access to resources, hoping to quell rebellion. Our band of mercenary librarians have decided that the time for revolution has come. Maya uses her wealth of secrets to weaken the TechCorps from within. Dani strikes from the shadows, picking off the chain of command one ambush at a time. And Nina is organizing their community—not just to survive, but to fight back. When Maya needs to make contact with a sympathetic insider, Dani and Rafe are the only ones with the skill-set and experience to infiltrate the highest levels of the TechCorps. They'll go deep undercover in the decadent, luxury-soaked penthouses on the Hill. Bringing Dani face-to-face with the man who turned her into a killer. And forcing Rafe to decide how far he'll go to protect both of his families—the one he was born to, and the one he made for himself. Victory will break the back of Power. Failure will destroy Atlanta. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Unincorporated Future Dani Kollin 2012-08-21 Sandra O'Toole is the president of the Outer Alliance, which stretches from the asteroid belt to the Oort Cloud beyond Pluto. Resurrected following the death of Justin Cord, the unincorporated man, O'Toole has become a powerful political figure and a Machiavellian leader determined to win the Civil War against the inner planets at almost any cost. And the war has been going badly, in part because of the great General Trang, a fit opponent for the brilliant J. D. Black. Choices have to be made to abandon some of the moral principles upon which the revolution was founded. It is a time of great heroism and great betrayal, madness, sacrifice, and shocking military conflict. Nothing is predictable, even the behavior of artificial intelligences. There may be only one way out, but it is not surrender. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bleeders Jim Franz 2011-10-13 The FBI transferred Special Agent Tom Sellinger to its Atlanta Division for one reason: capture a seemingly-invisible bank robber known as the Ghost. His robberies are all the same. He has no gun; he makes no demands. He wears a ski mask, yet customers and tellers walk around him without a glance as he empties the drawers of cash. The only evidence left behind is his image on security footage, and a throng of people who swear no man like that ever entered the bank. Tom isn't spooked by the man's unusual ability; he's tracked people like this before, people that the FBI designates as bleeders. But Tom's personal and professional lives slam together when his best friend's wife Dani becomes the first and only eyewitness to one of the Ghost's robberies. Now Tom's superiors want Dani to jeopardize her life and the lives of her family, without even telling her the risks. As Tom tries to protect her from the dangers, he must also be cautious: He can't let Dani discover the real reason why a man can seem invisible, why only she can see the Ghost, or why Tom's taskforce may be the biggest threat to her of all.

The Doctor's Mission Lyn Stone 2008-10-01 Dr. Nick Sandro's top-secret mission: to help undercover agent Cate Olin recover from an attempt on her life. The safehouse? His own apartment, where her body—which he'd dreamed about for years—was suddenly his responsibility. Nick had loved Cate since childhood, but he'd accepted this job as a favor to her family, to her boss. No way he'd cross the line. For a civilian, Cate's gorgeous doctor sure was secretive. About giving up his career as a surgeon. About not letting Cate in. But when a terrorist hell-bent on revenge came after both of them, saving each other's lives depended on sharing everything.

Flotilla 13 Ze'ev Almog 2010-11-15 Flotilla 13 is the elite naval commando unit of the Israeli Defense Forces that specializes in maritime hostage rescue and counter-terrorist missions. To maintain secrecy, few of its missions have, until now, been made public. With this book, the unit's commander, Rear Adm. Ze'ev Almog, unveils the amazing story of Flotilla 13. For the first time, he offers details of many of the unit's operations during the War of Attrition and the Yom Kippur War (1968-1973), including the raids on the Adabiya coast post and the Green Island fortress that resulted in heavy casualties, and the unit's dramatic sinking of two Egyptian torpedo boats in the Gulf of Suez. The author provides memorable first-person accounts of the unit's complex and courageous operations that destroyed or captured numerous Egyptian vessels in the Red Sea, including the raid on the port of Hurgada, which forced the Egyptians to evacuate. Along with the successes, Almog also candidly discusses his unit's despair following the losses at Green Island and threats to limit its involvement in future operations, and he then describes how Flotilla 13 was transformed into a unit of high morale and performance. First published in Hebrew in 2007, this revealing account of what went on is now available in English.

The Edge of the Sword: Israel's War of Independence 1947-1949 Netanel Lorch 2019-07-31 Netanel Lorch, who fought as an officer in Jerusalem during Israel's War of Independence and later founded the Israel Defense Forces' Historical Section, offers a detailed military history of the years 1947-49. The book begins with the tensions of the British Mandate period in Palestine, including the international debates over proposed boundaries for the new Jewish state, and examines the chaos that followed the British evacuation, the invasion of five Arab armies supported by guerrilla fighters inside Israel, the defeat of the Arab armies, and the signing of armistice agreements at Rhodes. It surveys the strength, weaknesses, equipment and manpower of Jewish and Arab forces and describes the strategies and tactics used in operations launched by all sides, together with the results of the battles that led to Israel's pre-1967 borders. "In splendidly crisp, frugal but always fluent narrative, Col. Netanel Lorch relates how Israel won her life with 'The Edge of the Sword.' It is an apt title for this masterly deployment of bare facts, devoid of speculative afterthoughts, almost devoid of comment... I rate this book a splendid job of work, absorbing to a student of war, a fit memorial to heroic events passing comprehension." - The New York Times "... minute in its detail, meticulous in its completeness, matter of fact in its style... but, professional objectivity notwithstanding, he offers a penetrating insight into the passions and purposes that underlay this struggle." - Herbert Kupferberg, The New York Herald Tribune "Lorch... was fortunate in holding a position in which he was able to obtain and sift much data not normally available to the public. This he has done admirably... It is a timely, comprehensive book... clearly a must for the bookshelf of everyone who takes an interest in military matters or in the Middle East." - Edgar O'Ballance, The Spectator, London "... a fascinating work. The book teems with technical details and military terms; it gives blow by blow the story of every campaign, and almost every action." - Marvin Lowenthal, Jewish Social Studies "Genuine history, admirably written..." - Bernard Fergusson, London Daily Telegraph "[Lorch] writes with a clarity quite unusual in military specialists... superbly written and fascinating." - The Cape Argus, Capetown "The most detailed and most searching study of this momentous little war which has yet been published. It is also remarkably readable... it teaches quietly and with no brashness, a number of salutary lessons, strategic and tactical, logistic and moral, which every soldier ought to ponder... Lorch's narrative is as candid as it is well marshalled. He is not sparing in his criticism of Israeli mistakes. He does not sneer and he does not exult." - Journal of the Royal United Services Institution

Daughters of the People Omnibus One Lucy Varna 2015-09-28 An ancient curse, a lost prophecy, and the deadliest enemy a Daughter can face: Her own heart. In this three-book collection, three immortal descendants of the Seven Sisters battle to save their people from a curse laid

down upon them nearly ten thousand years ago. Book 1: The Prophecy Maya Bellegarde journeys to Sweden on behalf of the People. There, she meets James Terhune, an attractive language expert. Together, they must uncover the secrets of the grave and protect them from an ancient enemy, and Maya must decide whether or not to trust James with her deepest secret. Book 2: Light's Bane When Daniella Nehring teams up with Dave Winstead to track down and recover stolen artifacts, her task is complicated by the attraction sparking between her and the stalwart undercover FBI agent, and by her own sinister heritage. Book 3: The Enemy Within Indigo Dupree and Bobby Upton are drawn into a deadly game involving the Prophecy of Light, forcing Indigo to choose between her duty and her heart. Three women, three challenges, three loves, at a time when the People stand at the crossroads between two paths, one leading to their salvation, the other to their utter destruction.

The Calculated Series: Books 1-5 K.T. Lee 2020-11-20 The Calculated Series is now available in one convenient collection! Strong heroines in STEM, formidable adversaries, and a dash of romance in every book. The Calculated Series: Books 1-5 includes the following books: Calculated Deception (Book 1) Calculated Contagion (Book 2) Calculated Sabotage (Book 3) Calculated Reaction (Book 4) Calculated Entrapment (Book 5) Calculated Deception (Book 1) Dr. Ree Ryland is an engineering professor who loves her job and plays by the rules. Her life is reassuringly predictable - until an enemy hiding in plain sight decides her squeaky-clean reputation is the perfect cover to commit a crime. When Agent Parker Landon and his FBI team discover that someone at the university has been procuring military-grade hardware by disguising it as test equipment, all evidence points to Ree. After the FBI intercepts a shipment that puts Ree in the clear, Parker is forced to tell her that she's being used as a pawn by an unseen enemy. And now she's in that enemy's crosshairs. Ree turns down the protective detail offered by the FBI and insists on using her inside knowledge to help with the investigation. Parker is leery of bringing a civilian on to the team, but he's surprised at how much fun he has working with Ree, even as he tries to keep her out of harm's way. Parker, Ree, and the FBI team find increasingly worrying evidence that someone is quietly acquiring everything they need to cause destruction on a massive scale. Now, they must uncover the motive and identity of the killer hiding among Ree's friends and colleagues before it's too late. Calculated Contagion (Book 2) Dani Christensen is a vaccine researcher who has spent her career proving she is more than just the daughter of the company's CEO. However, as her accomplishments in contagious disease research grow, the wrong people begin to notice. When Dani is isolated from her colleagues at a well-regarded conference in Europe, she is kidnapped and taken to an isolated camp in the Carpathian Mountains. CIA officers Cam Mitchell and Tyler Scott are sent to observe a suspicious group of armed men in rural Romania. When Cam sees Dani being brought into the camp against her will, he and his partner rescue her and bring her safely back to the United States. The CIA initially believes Dani was kidnapped for ransom, but they soon realize her kidnapper has followed her back to her lab. Now, the CIA must work with their allies in the FBI to catch Dani's kidnapper before he releases a potentially deadly contagion for his own political gain. Calculated Sabotage (Book 3) CIA operations officer Quinn King will do whatever it takes to find the person who killed her partner. She follows the evidence to Innovative Rocket Technologies, a start-up company and current darling of the rocket world. Their most recent launch, however, ended in an explosion that Quinn believes is connected to her partner's death. The CIA sends Cam Mitchell to provide backup for Quinn - and to make sure she isn't too emotionally invested. With Cam watching her back, Quinn embeds herself at IRT. She soon discovers there is more to the failed launch than IRT has shared with the public. And someone has a vested interest in keeping that information under wraps. When the CIA finds new evidence that someone is actively sabotaging the next launch, they call in Parker, Ree, and Mike from the FBI to help manage a growing number of loose ends. However, once Cam and Quinn realize why the rocket is being sabotaged, it puts them right in the crosshairs of a killer. Calculated Reaction (Book 4) Special Agent Alexis Thompson is eager to get back to work after getting shot on her last FBI assignment. When she discovers that the man who ordered the hit has sent one of his spies to an energy research facility, Alexis convinces the CIA to send her to take him down. This time, Alexis is bringing along her new partner, Waffle, a highly-trained explosives detection dog. Matt Brown is a former Navy SEAL who is now working as an engineering professor. He also helps his friend, CIA Operations Officer Cam Mitchell, whenever his skills are needed. When Alexis goes undercover, Cam sends Matt along to try to keep Alexis from coming home in a body bag. Matt and Alexis soon discover that their enemy's plans go far beyond good old-fashioned espionage. With the clock ticking, Alexis and Matt must figure out how to stop a dangerous explosion before they become collateral damage. Calculated Entrapment (Book 5) Stefanie

Ryland is a marine biologist whose life is going exactly to plan. She's worked her way up the corporate ladder to land her dream job at the Oceanic Exploration Group and has a fulfilling personal life. Not to mention, her older sister, Ree, is soon going to make her the world's greatest aunt. However, a surprise phone call from Ree forces Stefanie to reevaluate everything she thought she knew. Not only has her sister been secretly moonlighting for the FBI and CIA, but Ree has also helped thwart several dangerous attacks. And her team believes that Dmitri, the man behind the attacks, has made the OEG his next target. For CIA Operations Officer Joey Pacelli, putting Dmitri out of play isn't just his job, it's unfinished business. When the CIA and the FBI ask Stefanie Ryland to help them take Dmitri down, Joey travels to San Francisco to protect her. Teaming up with Stefanie is the perfect chance for Joey to beat his old nemesis at his own game. There's just one problem - Dmitri is playing by an entirely new set of rules.

Children of the Stone Sandy Tolan 2015-07-16 *Children of the Stone* is the unlikely story of Ramzi Hussein Aburedwan, a boy from a Palestinian refugee camp in Ramallah who confronts the occupying army, gets an education, masters an instrument, dreams of something much bigger than himself, and then inspires scores of others to work with him to make that dream a reality. That dream is of a music school in the midst of a refugee camp in Ramallah, a school that will transform the lives of thousands of children through music. Daniel Barenboim, the Israeli musician and music director of La Scala in Milan and the Berlin Opera, is among those who help Ramzi realize his dream. He has played with Ramzi frequently, at chamber music concerts in Al-Kamandjati, the school Ramzi worked so hard to build, and in the West-Eastern Divan Orchestra that Barenboim founded with the late Palestinian intellectual, Edward Said. *Children of the Stone* is a story about music, freedom and conflict; determination and vision. It's a vivid portrait of life amid checkpoints and military occupation, a growing movement of nonviolent resistance, the past and future of musical collaboration across the Israeli-Palestinian divide, and the potential of music to help children see new possibilities for their lives. Above all, *Children of the Stone* chronicles the journey of Ramzi Aburedwan, and how he worked against the odds to create something lasting and beautiful in a war-torn land.

Fugitives Sinister Saints Press 2015-11-29 The main character is a fugitive... but from what? The authorities? The Mob? Bounty hunters? Supernatural predators? A dystopian police force? Why is the main character on the run? What is their day to day life on the run like? Are the forces chasing them closing in? And if so, how do they react, and what are the consequences of their actions?

The Egyptian Strategy for the Yom Kippur War Dani Asher 2009-09-12 This volume examines the military strategy and issues that Egyptian war planners faced during the 1973 Yom Kippur War. Of major interest is the relationship between the political and military leaders and how that affected the buildup and course of the conflict. Taking this as a starting place, the author concentrates on how Soviet military doctrinal changes presented themselves between the conclusion of the Six-Day War and the Yom Kippur War.

Last to Die Kate Brady 2010-09-01 A ruthless killer hides in plain sight, someone no one believes is capable of murder. Within a week, six women will be murdered, all punished for their dark pasts. Detective Dani Cole is determined to track down this serial killer whose victims include a young woman she pulled out of a life of crime. Her investigation leads her to a photography foundation and the renowned photographer Mitch Sheridan, a man she fell in love with years ago but has tried to forget. Dani and Mitch are instantly attracted to each other again, though their troubled pasts keep them from getting too close. Together, through the course of the investigation, they unearth a dark chain of deception that leads to a killer who is closer than they think.

Looking with Robert Gardner Rebecca Meyers 2016-09-20 Assesses the range and magnitude of Robert Gardner's achievements as a filmmaker, photographer, writer, educator, and champion of independent cinema. During his lifetime, Robert Gardner (1925-2014) was often pigeonholed as an ethnographic filmmaker, then criticized for failing to conform to the genre's conventions--conventions he radically challenged. With the release of his groundbreaking film *Dead Birds* in 1963, Gardner established himself as one of the world's most extraordinary independent filmmakers, working in a unique border area between ethnography, the essay film, and poetic/experimental cinema. Richly illustrated, *Looking with Robert Gardner* assesses the range and magnitude of Gardner's achievements not only as a filmmaker but also as a still photographer, writer, educator, and champion of independent cinema. The contributors give critical attention to Gardner's most ambitious films, such as *Dead Birds* (1963, New Guinea), *Rivers of Sand* (1975, Ethiopia), and *Forest of Bliss* (1986, India), as well as lesser-known films that equally exemplify his mode of seeking anthropological understanding through

artistic means. They also attend to his films about artists, including his self-depiction in *Still Journey OnM* (2011); to his roots in experimental film and his employment of experimental procedures; and to his support of independent filmmakers through the Harvard Film Study Center and the television series *Screening Room*, which provided an opportunity for numerous important film and video artists to present and discuss their work. Rebecca Meyers is a filmmaker and Academic Film Programmer at Bucknell University, where she teaches in the Film/Media Studies program. She worked with Robert Gardner as editor on his late films. William Rothman is Professor of Cinema and Interactive Media at the University of Miami. Among his numerous books are three published by SUNY Press: *Hitchcock: The Murderous Gaze*, Second Edition and as editor, *Cavell on Film and Three Documentary Filmmakers: Errol Morris, Ross McElwee, and Jean Rouch*. Charles Warren is Lecturer on Film at Boston University and Associate of the Visual and Environmental Studies Department at Harvard University. He writes widely on film and has edited many books, including Gardner's *Making Dead Birds*, *Just Representations*, and *Human Documents: Eight Photographers*.
