*The Road Cormac McCarthy 2007-03-20* NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-pher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-pher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. "A guaranteed pleaser [in] one of SF's most splendid and longest-lived sagas."—Booklist "Another delightful entry in the Pern series."—Publishers Weekly

**Balanced on the Blade's Edge Lindsay Buroker 2014-04-01** Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

Enya lives in the human world but is aware of the fact she's a Dragon. She never encountered any others of her kind and doesn't remember her past. When Vaughn becomes aware of the horrific fact of the existence of a half-blood, he's dead set to handle this abomination accordingly; for a Dragon needs to be a pure blood. Inked Sins Claire St. Rose 2019-07-11 This is book 3 and the finale of the Fallen Angels MC series! He's a monster and a sinner – and I'm chained to his bed. I shouldn't be here. But it's too late to run. Staying here might mean risking everything – my life, my body, my sanity. But I can't go back to what I was before. I'm addicted to the biker's touch. CAROLINE I think part of me always knew he'd hurt me. Isn't that just what bad boys do? They convince you they're different than the rest. They get you to let your guard down. And then they shatter your heart into a million little pieces. Mason was no different in that regard. He convinced me he was a rebel with a heart of gold. And for one blissful moment, I believed him. Then the war came crashing down on my head. Before I know it, I'm dodging bullets and riding for my life. I'm not cut out for this motorcycle club business. I like numbers, my puppy, helping people – just sweet, innocent things. I'm not the type of girl for him. But Mason has me pinned down and he won't let me go. He says it's for my own safety. He says I need his protection. And the second he lays his hands on me, I know one thing: I'll never be able to go back to my old life again. I belong to the biker now. She doesn't think can trust me. Fair enough. I probably wouldn't trust me either. I'm everything she's been taught to fear: A liar, a killer, a biker, a beast. I'm a cold-blooded S.O.B. who will screw you senseless and be gone before you wake up. I'm a drug-running outlaw kingpin... And I'm never, ever gonna apologize for it. But despite all my sins, there's one thing that will always be true: I always protect what's mine. I may have got Caroline caught in the middle of this vicious crossfire. But I'm not gonna rest until I get her out. That's an outlaw's oath.

If she wants to make it out of here alive, she'll have to listen very, very carefully. Because I'm only gonna say it once: Tonight, baby... You're coming home with me.
