*The Boudoir Photography Cookbook* Jennifer Rozenbaum 2015-06-09 Jen Rozenbaum presents sixty essential skills that will help you to fine-tune every aspect of your boudoir shoot. She begins with a look into what qualifies as boudoir, identifies the subgenres of boudoir portraiture, and then launches into a targeted look at various posing strategies that will really amp up your subject's gorgeous curves for a sexy, sultry look. You'll also find a host of image concepts that you might want to incorporate into your repertoire, plus lighting sources and setups Jen favors for creating sizzling shots, and even tips for selecting a wardrobe that downplays perceived flaws and celebrates your subject's assets. Of course, Rozenbaum doesn't stop there. There are even sections on changing up lenses for portrait variety, working with a Lensbaby (a specialty lens that offers a 'sweet spot' of focus), and pulling out all of the stops with today's must-have light source: the Westcott Ice Light.

*Cookbook of a Cannibal - You Are What You Eat* Miss Christie Nortje 2013-06-03 They thought locked doors and drawn curtains would keep them safe and that monsters only existed in bad dreams and urban legends. Lynwood Hights would never be the same again not after he paid them a visit. He liked his meat young and fresh with a side order of torture. With just 24 hours to save 10 innocent young lives it is a race against time. Will FBI agent Kegan George and his team manage to unravel the clues that bring them close enough to the shocking truth or will this serial killer cannibal known as The Butcher be the victor? This is your chance to put your deductive reasoning skills to the test to see if you can solve the case before they do.

The Arrows Cookbook Clark Frasier 2010-06-15 Part how-to-garden primer, The Arrows Cookbook combines more than 150 delicious recipes with time-tested techniques for growing herbs, vegetables, and edible flowers in a book that reconnects us to the land and the seasons. Cooking food from the backyard garden or farmers' market -- or even using herbs grown in pots in a sunny window -- goes beyond a passion for freshness. On an elemental level, the process reawakens the cook to a cycle of nature that our ancestors understood intuitively but that, for most of us, has been lost in the modern world. When chefs Clark Frasier and Mark Gaier left northern California to open their dream restaurant in southern Maine, they had no intention of becoming culinary pioneers. But in 1988 in Ogunquit, Maine, finding enough fresh vegetables and herbs to power a sophisticated restaurant was indeed a challenge. So, like all can-do Americans, they did something. A ragged field of witchgrass behind the restaurant was turned into a garden where they learned to coax a nine-month growing season out of the chilly earth. They built raised beds, saved seeds, researched heirlooms, consulted experts, and started seedlings. Today, that acre of Maine yields 270 varieties of vegetables, herbs, fruits, and edible flowers that provide 90 percent of the produce served at Arrows. Born of great necessity, the garden is the soul of this destination restaurant. In The Arrows Cookbook, Frasier and Gaier tell us how they do it, charting the timeless journey from seed to supper. Recipes celebrate each season -- Asparagus with Mizuna and Blood Orange Vinaigrette and English Pea Soup in spring; Grilled Antipasto Platter and Rib-Eye Steak with Herbs and Caramelized Onions on a summer evening; Napa Cabbage and Apple Cole Slaw and Roast Pork Loin with Rosemary and Garlic for fall; and Escarole and White Bean Soup and Winter Greens with Pink Grapefruit and Red Onion for the chilly, short days of winter. They also offer new takes on such New England classics as Boiled Dinner, Our Way to Steaming Lobster -- Southeast Asian Style, as well as a glorious Thanksgiving feast complete with Roast Turkey with Gravy. The book is full of clear advice and instructions that will make you elegantly self-sufficient in both kitchen and garden: how to smoke a trout, preserve herbs, use raised beds to extend the growing season, make your own prosciutto, start seeds indoors, roast salmon on a plank, maximize garden space, freeze berries, select edible flowers, grow heirloom tomatoes, pickle hot peppers, find local farmers and fisherman for fresh meats and seafood, and more.

*The Communist Cookbook Sharmishtha Roy Chowdhury 2011-12-01 As the Second World War draws to a close, George Clark finds himself beginning his regimental life with the British Army in the remote outpost of Bajapur. Battle-worn and broken-hearted, he is soon caught in a perilous tangle. Intelligence officer James Ruffington wants George to spy on local nationalist activists in order to please the paranoid and communist-obsessed Captain Dennis Porter. For this, George must not only betray his close friend Deborah Sunderland but also use Anna Benson, his new love, to infiltrate the local Congress networks. Set amidst the political unrest of 1940s' India, The Communist Cookbook is an enthralling story of espionage and divided loyalties.*

*What America Watched Marsha Ann Tate 2022-01-14 Although television critics have often differed with the public with respect to the artistic and cultural merits of television programming, over the last half-century television has indubitably influenced popular culture and vice versa. No matter what reasons are cited--the characters, the actors, the plots, the music--television shows that were beloved by audiences in their time remain fondly remembered. This study covers the classic period of popular television shows from the 1960s through the 1990s, focusing on how regular viewers interacted with television shows on a personal level. Bridging popular and scholarly approaches, this book discovers what America actually watched and why through*

documents, footage, visits to filming locations, newspapers, and magazine articles from the shows' eras. The book features extensive notes and bibliography.

*Spectatorship* Roxanne Samer 2017-10-25 Media platforms continually evolve, but the issues surrounding media representations of gender and sexuality have persisted across decades. *Spectator: The University of Southern California Journal of Film and Television Criticism* has published groundbreaking articles on gender and sexuality, including some that have become canonical in film studies, since the journal's founding in 1982. This anthology collects seventeen key articles that will enable readers to revisit foundational concerns about gender in media and discover models of analysis that can be applied to the changing media world today. *Spectatorship* begins with articles that consider issues of spectatorship in film and television content and audience reception, noting how media studies has expanded as a field and demonstrating how theories of gender and sexuality have adapted to new media platforms. Subsequent articles show how new theories emerged from that initial scholarship, helping to develop the fields of fandom, transmedia, and queer theory. The most recent work in this volume is particularly timely, as the distinctions between media producers and media spectators grow more fluid and as the transformation of media structures and platforms prompts new understandings of gender, sexuality, and identification. Connecting contemporary approaches to media with critical conversations of the past, *Spectatorship* thus offers important points of historical and critical departure for discussion in both the classroom and the field.

The Lost Book of the White Cassandra Clare 2020-09-01 From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?
