Its nearly what you dependence currently. This The Fire Next Time My Dungeon Shook Down At The Cross Penguin Modern Classics, as one of the most functioning sellers here will definitely be in the middle of the best options to review.

Wonder Women Debora L. Spar 2013-09-17 Fifty years after the Equal Pay Act, why are women still living in a man's world? Debora L. Spar never thought of herself as a feminist. Raised after the tumult of the 1960s, she presumed the gender war was over. As one of the youngest female professors to be tenured at Harvard Business School and a mother of three, she swore to young women that they could have it all. "We thought we could just glide into the new era of equality, with babies, board seats, and husbands in tow," she writes. "We were wrong." Now she is the president of Barnard College, arguably the most important all-women's college in the United States. And in *Wonder Women: Sex, Power, and the Quest for Perfection*—a fresh, wise, original book—she asks why, a half century after the publication of Betty Friedan's *The Feminine Mystique*, do women still feel stuck. In this groundbreaking and compulsively readable book, Spar explores how American women's lives have—and have not—changed over the past fifty years. Armed with reams of new research, she details how women struggled for power and instead got stuck in an endless quest for perfection. The challenges confronting women are more complex than ever, and they are challenges that come inherently and inevitably from being female. Spar is acutely aware that it's time to change course. Both deeply personal and statistically rich, *Wonder Women* is Spar's story and the story of our culture. It is cultural history at its best, and a road map for the future.

On Being Different Merle Miller 2012-09-25 The groundbreaking work on being homosexual in America—available again only from Penguin Classics and with a new foreword by Dan Savage Originally published in 1971, Merle Miller's *On Being Different* is a pioneering and thought-provoking book about being homosexual in the United States. Just two years after the Stonewall riots, Miller wrote a poignant essay for the *New York Times Magazine* entitled "What It Means To Be a Homosexual" in response to a homophobic article published in *Harper's Magazine*. Described as "the most widely read and discussed essay of the decade," it carried the seed that would blossom into *On Being Different*—one of the earliest memoirs to affirm the importance of coming out. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Vintage Baldwin James Baldwin 2004-01-06 In his internationally acclaimed novels, short stories, plays and essays, James Baldwin was and remains a powerfully prophetic voice in the American literary landscape, fearlessly brooding upon issues such as race, sex, politics, and art. His literary achievement is a lasting legacy about what it means to be American. Vintage Baldwin includes the short story "Sonny's Blues"; the galvanizing civil rights examination "My Dungeon Shook: Letter to My Nephew on the One Hundredth Anniversary of the Emancipation"; the essays "Fifth Avenue, Uptown: A Letter from Harlem," "The Discovery of What It Means to Be an American," and "Nobody Knows My Name: A Letter from the South"; and excerpts from the novel *Another Country* and the play *The Amen Corner*. Vintage Readers are a perfect introduction to some of the great modern writers presented in attractive, accessible paperback editions.

The Price of the Ticket James Baldwin 2021-09-21 An essential compendium of James Baldwin's most powerful nonfiction work, calling on us "to end the racial nightmare, and achieve our country." Personal and prophetic, these essays uncover what it means to live in a racist American society with insights that feel as fresh today as they did over the 4 decades in which he composed them. Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of famous essays from such books as: • *Notes of a Native Son* • *Nobody Knows My Name* • *The Fire Next Time* • *No Name in the Street* • *The Devil Finds Work* This collection provides the perfect entrée into Baldwin's prescient commentary on race, sexuality, and identity in an unjust American society.

Between the World and Me Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (*Rolling Stone*) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *O: The Oprah Magazine* • *The Washington Post* • *People* • *Entertainment Weekly* • *Vogue* • *Los Angeles Times* • *San Francisco Chronicle* • *Chicago Tribune* • *New York* • *Newsday* • *Library Journal* • *Publishers Weekly* In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The Emancipation Proclamation Abraham Lincoln 2020-03-16 "The Emancipation Proclamation" by Abraham Lincoln. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Radical Reader Timothy McCarthy 2011-05-10 Radicalism is as American as apple pie. One can scarcely imagine what American society would look like without the abolitionists, feminists, socialists, union organizers, civil-rights workers, gay and lesbian activists, and environmentalists who have fought stubbornly to breathe life into the promises of freedom and equality that lie at the heart of American democracy. The first anthology of its kind, *The Radical Reader* brings together more than 200 primary documents in a comprehensive collection of the writings of America's native radical tradition. Spanning the time from the colonial period to the twenty-first century, the documents have been drawn from a wealth of sources—speeches, manifestos, newspaper editorials, literature, pamphlets, and private letters. From Thomas Paine's "Common Sense" to Kate Millett's "Sexual Politics," these are the documents that sparked, guided, and distilled the most influential movements in American history. Brief introductory essays by the editors provide a rich biographical and historical context for each selection included.

Go Tell It on the Mountain James Baldwin 2013-09-17 In one of the greatest American classics, Baldwin chronicles a fourteen-year-old boy's discovery of the terms of his identity. Baldwin's rendering of his protagonist's spiritual, sexual, and moral struggle of self-invention opened new possibilities in the American language and in the way Americans understand themselves. With lyrical precision, psychological directness, resonating symbolic power, and a rage that is at once unrelenting and compassionate, Baldwin tells the story of the stepson of the minister of a storefront Pentecostal church in Harlem one Saturday in March of 1935. Originally published in 1953, Baldwin said of his first novel, "Mountain is the book I had to write if I was ever going to write anything else." "With vivid imagery, with lavish attention to details ... [a] feverish story." —*The New York Times*

The Cambridge Companion to James Baldwin Michele Elam 2015-04-09 This Companion offers fresh insight into the art and politics of James Baldwin, one of the most important writers and provocative cultural critics of the twentieth century. Black, gay, and gifted, he was hailed as a 'spokesman for the race', although he personally, and controversially, eschewed titles and classifications of all kinds. Individual essays examine his classic novels and nonfiction as well as his work across lesser-examined domains: poetry, music, theatre, sermon, photo-text, children's literature, public media, comedy, and artistic collaboration. In doing so, *The Cambridge Companion to James Baldwin* captures the power and influence of his work during the civil rights era as well as his relevance in the 'post-race' transnational twenty-first century, when his prescient questioning of the boundaries of race, sex, love, leadership, and country assume new urgency.

Native Sons James Baldwin 2009-03-12 James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together—the story "Dark Runner" and the play *Equal in Paris*, both published here for the first time. Though a world of difference separated them—Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married, with a growing family to support—the two men shared the same fundamental passion. Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, "You are the only friend with whom I feel comfortable about all three: heart, head, and writing." In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's *Notes of a Native Son*, in which Baldwin's main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin's birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters.

Feral Ornamentals Charlie Green 2021-03-26 In *Feral Ornamentals*, Charlie Green takes the particles and atoms that are our lives, reads them inside out and gives us beauty that says we are here and that every breath is art, whether we are grieving, loving, at war, or simply watching the snow fall and boiling eggs. "You can't live in the past, but still you can die there"—read this gift in the present so that we do not die in the past. —Mukoma Wa Ngugi Who knows what? What do they know? And do they know what they do not know? Charlie Green's *Feral Ornamentals* incites my epistemological curiosity. This new book offers dynamite lines, such as 'We had mixed feelings about discovering / new sins' and 'Regret the error, then forget it.' I love the company these poems keep: fragment, epigraph, epiphany. —Jillian Weise

One Day When I Was Lost James Baldwin 2013-09-17 A rare, lucidly composed screenplay from one of America's greatest writers, based on the bestselling classic *The Autobiography of Malcolm X*. *The Times Literary Supplement* praises "the depth and sincerity of Baldwin's admiration for Malcolm X." Son of a Baptist minister; New York City hustler; honor student; convicted criminal; powerful minister in the Nation of Islam; father and husband: Malcolm X transformed himself, time and again, in order to become one of the most feared, loved, and undeniably charismatic leaders of twentieth-century America. No one better represents the tumultuous times of his generation, and there is no one better to capture him and his milieu than James Baldwin. With spare, elegant, yet forceful dialogue and fresh, precise camera directions, Baldwin breathes cinematic life into this controversial and important figure, offering a new look at a man who changed himself in order to change the country.

African American Culture and Legal Discourse R. Schur 2009-12-07 This work examines the experiences of African Americans under the law and how African American culture has fostered a rich tradition of legal criticism. Moving between novels, music, and visual culture, the essays present race as a significant factor within legal discourse. Essays examine rights and sovereignty, violence and the law, and cultural ownership through the lens of African American culture. The volume argues that law must understand the effects of particular decisions and doctrines on African American life and culture and explores the ways in which African American cultural production has been largely centered on a critique of law.

The Story of Siegfried James Baldwin 1882

The Beautiful Struggle Ta-Nehisi Coates 2009-01-06 An exceptional father-son story from the National Book Award-winning author of *Between the World and Me* about the reality that tests us, the myths that sustain us, and the love that saves us. Paul Coates was an enigmatic god to his sons: a Vietnam vet who rolled with the Black Panthers, an old-school disciplinarian and new-age believer in free love, an autodidact who launched a publishing company in his basement dedicated to telling the true history of African civilization. Most of all, he was a wily tactician whose mission was to carry his sons across the shoals of inner-city adolescence—and through the collapsing civilization of Baltimore in the Age of Crack—and into the safe arms of Howard University, where he worked so his children could attend for free. Among his brood of seven, his main challenges were Ta-Nehisi, spacey and sensitive and almost comically miscalibrated for his environment, and Big Bill, charismatic and all-too-ready for the challenges of the streets. *The Beautiful Struggle* follows their divergent paths through this turbulent period, and their father's steadfast efforts—assisted by mothers, teachers, and a body of myths, histories, and rituals conjured from the past to meet the needs of a troubled present—to keep them whole in a world that seemed bent on their destruction. With a remarkable ability to reimagine both the lost world of his father's generation and the terrors and wonders of his own youth, Coates offers readers a small and beautiful epic about boys trying to become men in black America and beyond. Praise for *The Beautiful*

Struggle "I grew up in a Maryland that lay years, miles and worlds away from the one whose summers and sorrows Ta-Nehisi Coates evokes in this memoir with such tenderness and science; and the greatest proof of the power of this work is the way that, reading it, I felt that time, distance and barriers of race and class meant nothing. That in telling his story he was telling my own story, for me."—Michael Chabon, bestselling author of *The Yiddish Policemen's Union* and *The Amazing Adventures of Kavalier & Clay* "Ta-Nehisi Coates is the young James Joyce of the hip hop generation."—Walter Mosley

James Baldwin in Context D. Quentin Miller 2019-08-01 James Baldwin in Context provides a wide-ranging collection of approaches to the work of an essential black American author who is just as relevant now as he was during his turbulent heyday in the mid-twentieth century. The perspectives range from those who knew Baldwin personally, to scholars who have dedicated decades to studying him, to a new generation of scholars for whom Baldwin is nearly a historical figure. This collection complements the ever-growing body of scholarship on Baldwin by combining traditional inroads into his work, such as music and expatriation, with new approaches, such as intersectionality and the Black Lives Matter movement.

I Am Not Your Negro James Baldwin 2017-02-07 NATIONAL BESTSELLER • In his final years, Baldwin envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project had never been published before acclaimed filmmaker Raoul Peck mined Baldwin's oeuvre to compose his stunning documentary film *I Am Not Your Negro*. Peck weaves these texts together, brilliantly imagining the book that Baldwin never wrote with selected published and unpublished passages, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Peck's film uses them to jump through time, juxtaposing Baldwin's private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film, which was nominated for the Academy Award for Best Documentary.

James Baldwin 1981

James Baldwin: The Last Interview James Baldwin 2014-12-02 Never before available, the unexpurgated last interview with James Baldwin "I was not born to be what someone said I was. I was not born to be defined by someone else, but by myself, and myself only." When, in the fall of 1987, the poet Quincy Troupe traveled to the south of France to interview James Baldwin, Baldwin's brother David told him to ask Baldwin about everything—Baldwin was critically ill and David knew that this might be the writer's last chance to speak at length about his life and work. The result is one of the most eloquent and revelatory interviews of Baldwin's career, a conversation that ranges widely over such topics as his childhood in Harlem, his close friendship with Miles Davis, his relationship with writers like Toni Morrison and Richard Wright, his years in France, and his ever-incisive thoughts on the history of race relations and the African-American experience. Also collected here are significant interviews from other moments in Baldwin's life, including an in-depth interview conducted by Studs Terkel shortly after the publication of *Nobody Knows My Name*. These interviews showcase, above all, Baldwin's fearlessness and integrity as a writer, thinker, and individual, as well as the profound struggles he faced along the way.

Bloodlines 2011 Genocide. Terrorism. Hate crimes. In a world where racism is far from dead, is unity amidst diversities even remotely possible? Sharing from his own experiences growing up in the segregated South, pastor John Piper thoughtfully exposes the unremitting problem of racism. Instead of turning finally to organizations, education, famous personalities, or government programs to address racial strife, Piper reveals the definitive source of hope -- teaching how the good news about Jesus Christ actively undermines the sins that feed racial strife, and leads to a many-colored and many-cultured kingdom of God. Learn to pursue ethnic harmony from a biblical perspective, and to relate to real people different from yourself, as you take part in the bloodline of Jesus that is comprised of "every tongue, tribe, and nation."--Publisher.

Common Ground J. Anthony Lukas 2012-09-12 Winner of the Pulitzer Prize, the National Book Critics Circle Award, the Robert F. Kennedy Book Award, and the American Book Award, the bestselling *Common Ground* is much more than the story of the busing crisis in Boston as told through the experiences of three families. As Studs Terkel remarked, it's "gripping, indelible...a truth about all large American cities." "An epic of American city life...a story of such hypnotic specificity that we re-experience all the shades of hope and anger, pity and fear that living anywhere in late 20th-century America has inevitably provoked."—Christopher Lehmann-Haupt, *The New York Times*

The Fire Next Time James Baldwin 1990-01-25 The landmark work on race in America from James Baldwin, whose life and words are immortalized in the Oscar-nominated film *I Am Not Your Negro* 'We, the black and the white, deeply need each other here if we are really to become a nation' James Baldwin's impassioned plea to 'end the racial nightmare' in America was a bestseller when it appeared in 1963, galvanising a nation and giving voice to the emerging civil rights movement. Told in the form of two intensely personal 'letters', *The Fire Next Time* is at once a powerful evocation of Baldwin's early life in Harlem and an excoriating condemnation of the terrible legacy of racial injustice. 'Sermon, ultimatum, confession, deposition, testament, and chronicle ... all presented in searing, brilliant prose' *The New York Times* Book Review 'Baldwin writes with great passion ... it reeks of truth, as the ghettoes of New York and London, Chicago and Manchester reek of our hypocrisy' *Sunday Times* 'The great poet-prophet of the civil rights movement ... his seminal work' *Guardian*

Heir of Fire Sarah J. Maas 2020-10-01 The third instalment to the global #1 bestselling series. As the King of Adarlan's Assassin, Celaena Sardothien is bound to serve the tyrant who slaughtered her dear friend. But she has vowed to make him pay. The answers Celaena needs to destroy the king lie across the sea Wendlyn. And Chaol, Captain of the King's Guard, has put his future in jeopardy to send her there. Yet as Celaena seeks her destiny in Wendlyn, a new threat is preparing to take to the skies. Will Celaena find the strength not only to win her own battles, but to fight a war that could pit her loyalties to her own people against those she has grown to love? This third novel in the THRONE OF GLASS sequence, from global #1 bestselling author Sarah J. Maas, is packed with more heart-stopping action, devastating drama and swoonsome romance, and introduces some fierce new heroines to love and hate.

The Fire Next Time James Baldwin 2019 All the grief, grit, and unassailable dignity of the civil rights movement are evoked in this illustrated edition of James Baldwin's *The Fire Next Time*, with photographs by Steve Schapiro. Together, Baldwin's frank account of the black experience and Schapiro's vital images offer poetic and potent testimony to one of the most important...

The Rime of the Ancient Mariner Samuel Taylor Coleridge 1906

Women Lovers, Or The Third Woman Natalie Clifford Barney 2016-06-15 This long-lost novel recounts a passionate triangle of love and loss among three of the most daring women of belle époque Paris. In this barely disguised roman à clef, the legendary American heiress, writer, and arts patron Natalie Clifford Barney, the dashing Italian baroness Mimi Franchetti, and the beautiful French courtesan Liane de Pougy share erotic liaisons that break all taboos and end in devastation as one unexpectedly becomes the "third woman." Never before published in English, and only recently published in French, this modernist, experimental work has been brought to light by Chelsea Ray's research and translation.

The Silent Shore Charles L. Chavis Jr. 2022-01-11 Complicating historical narratives associated with the history of lynching in the city of Salisbury, *The Silent Shore* explores the immediate and lingering effect of Williams's death on the politics of racism in the United States, the Black community in Salisbury, the broader Eastern Shore, the state of Maryland, and the legacy of "modern-day lynchings."

Schapiro's Heroes 2007 An extraordinary collection of behind-the-scenes photographs of famous people including Muhammad Ali, Robert Kennedy, Andy Warhol, Martin Luther King Jr, Jackie O, Barbra Streisand and Truman Capote, from celebrated documentarian Steve Schapiro. A rare and intimate glimpse of a major period of American history, photographed during the golden age of photojournalism.

I've Been Meaning to Tell You David Chariandy 2019-03-14 'There is, as you pick it up, nothing to prepare you for its power' OBSERVER 'Quite simply, one of the most beautiful books I have ever read' AMINATTA FORNA How do we navigate our complex histories for our children? What is our duty to share and what must we leave for them to discover? Writing to his daughter, David Chariandy asks difficult, unsettling, perhaps impossible questions - questions made all the more poignant by our current political landscape. With tender, spare and luminous prose, Chariandy looks both into his heart and mind and out to the world and humanity. In the tradition of Ta-Nehisi Coates and Chimamanda Ngozi Adichie, this is a book about race; this is a book about family.

Jimmy's Blues and Other Poems James Baldwin 2014-04-01 All of the published poetry of James Baldwin, including six significant poems previously only available in a limited edition During his lifetime (1924-1987), James Baldwin authored seven novels, as well as several plays and essay collections, which were published to wide-spread praise. These books, among them *Notes of a Native Son*, *The Fire Next Time*, *Giovanni's Room*, and *Go Tell It on the Mountain*, brought him well-deserved acclaim as a public intellectual and admiration as a writer. However, Baldwin's earliest writing was in poetic form, and Baldwin considered himself a poet throughout his lifetime. Nonetheless, his single book of poetry, *Jimmy's Blues*, never achieved the popularity of his novels and nonfiction, and is the one and only book to fall out of print. This new collection presents James Baldwin the poet, including all nineteen poems from *Jimmy's Blues*, as well as all the poems from a limited-edition volume called *Gypsy*, of which only 325 copies were ever printed and which was in production at the time of his death. Known for his relentless honesty and startlingly prophetic insights on issues of race, gender, class, and poverty, Baldwin is just as enlightening and bold in his poetry as in his famous novels and essays. The poems range from the extended dramatic narratives of "Staggerlee wonders" and "Gypsy" to the lyrical beauty of "Some days," which has been set to music and interpreted by such acclaimed artists as Audra McDonald. Nikky Finney's introductory essay reveals the importance, relevance, and rich rewards of these little-known works. Baldwin's many devotees will find much to celebrate in these pages.

Fifth Avenue, Uptown James Baldwin 2000-01-01 James Baldwin [RL 9 IL 7-12] A unique viewpoint on ghetto life. Themes: injustice; society as a mirror. 36 pages. Tale Blazers.

They Can't Kill Us All Wesley Lowery 2016-11-15 LA Times winner for The Christopher Isherwood Prize for Autobiographical Prose A New York Times bestseller A New York Times Editors' Choice A Featured Title in The New York Times Book Review's "Paperback Row" A Bustle "17 Books About Race Every White Person Should Read" "Essential reading."--Junot Diaz "Electric...so well reported, so plainly told and so evidently the work of a man who has not grown a callus on his heart."--Dwight Garner, New York Times, "A Top Ten Book of 2016" "I'd recommend everyone to read this book because it's not just statistics, it's not just the information, but it's the connective tissue that shows the human story behind it." -- Trevor Noah, The Daily Show A deeply reported book that brings alive the quest for justice in the deaths of Michael Brown, Tamir Rice, and Freddie Gray, offering both unparalleled insight into the reality of police violence in America and an intimate, moving portrait of those working to end it Conducting hundreds of interviews during the course of over one year reporting on the ground, Washington Post writer Wesley Lowery traveled from Ferguson, Missouri, to Cleveland, Ohio; Charleston, South Carolina; and Baltimore, Maryland; and then back to Ferguson to uncover life inside the most heavily policed, if otherwise neglected, corners of America today. In an effort to grasp the magnitude of the repose to Michael Brown's death and understand the scale of the problem police violence represents, Lowery speaks to Brown's family and the families of other victims other victims' families as well as local activists. By posing the question, "What does the loss of any one life mean to the rest of the nation?" Lowery examines the cumulative effect of decades of racially biased policing in segregated neighborhoods with failing schools, crumbling infrastructure and too few jobs. Studded with moments of joy, and tragedy, *They Can't Kill Us All* offers a historically informed look at the standoff between the police and those they are sworn to protect, showing that civil unrest is just one tool of resistance in the broader struggle for justice. As Lowery brings vividly to life, the protests against police killings are also about the black community's long history on the receiving end of perceived and actual acts of injustice and discrimination. *They Can't Kill Us All* grapples with a persistent if also largely unexamined aspect of the otherwise transformative presidency of Barack Obama: the failure to deliver tangible security and opportunity to those Americans most in need of both.

How to Be Drawn Terrance Hayes 2015-03-31 A finalist for the 2015 National Book Award and the National Book Critics Circle Award In *How to Be Drawn*, his daring fifth collection, Terrance Hayes explores how we see and are seen. While many of these poems bear the clearest imprint yet of Hayes's background as a visual artist, they do not strive to describe art so much as inhabit it. Thus, one poem contemplates the principle of blind contour drawing while others are inspired by maps, graphs, and assorted artists. The formal and emotional versatility that distinguish Hayes's award-winning poetry are unified by existential focus. Simultaneously complex and transparent, urgent and composed, *How to Be Drawn* is a mesmerizing achievement.

Great Speeches by African Americans James Daley 2012-03-06 Tracing the struggle for freedom and civil rights across two centuries, this anthology comprises speeches by Martin Luther King, Jr., Marcus Garvey, Malcolm X, Barack Obama, and many other influential figures.

The Fire Next Time James Baldwin 2017

The Fire Next Time James Baldwin 2021-07-06 A stirring, intimate reflection on the nature of race and American nationhood that has inspired generations of writers and thinkers, first published in 1963, the same year as the March on Washington "The finest essay I've ever read."—Ta-Nehisi Coates, #1 New York Times bestselling author of the National Book Award winner *Between the World and Me* With clarity, conviction, and passion, James Baldwin delivers a dire warning of the effects of racism that remains urgent nearly sixty years after its original publication. In the first of two essays, "My Dungeon Shook: Letter to My Nephew on the One Hundredth Anniversary of the Emancipation," Baldwin offers kind and unflinching counsel on what it means to be Black in the United States and explains the twisted logic of American racism. In "Down at the Cross: Letter from a Region in My Mind," Baldwin recounts his spiritual journey into the church after a religious crisis at the age of fourteen, and then back out of it again, as well as his meeting with Elijah Muhammad, the leader of the Nation of Islam. Throughout, Baldwin urges us to confront the oppressive institutions of race, religion, and nationhood itself, and insists that shared resilience among both Black and white people is the only way forward. As much as it is a reckoning with America's racist past, *The Fire Next Time* is also a clarion call to care, courage, and love, and a candle to light the way.

Trained Capacities Brian Jackson 2014-01-07 The essays in this collection, written by sixteen scholars in rhetoric and communications studies, demonstrate American philosopher John Dewey's wide-ranging influence on rhetoric in an intellectual tradition that addresses the national culture's fundamental conflicts between self and society, freedom and responsibility, and individual advancement and the common good. Editors Brian Jackson and Gregory Clark propose that this influence is at work both in theoretical foundations, such as science, pragmatism, and religion, and in Dewey's debates with other public intellectuals such as Jane Addams, Walter Lippmann, James Baldwin, and W. E. B. Du Bois. Jackson and Clark seek to establish Dewey as an essential source for those engaged in teaching others how to compose timely, appropriate, useful, and eloquent responses to the diverse and often-contentious rhetorical situations that develop in a democratic culture. They contend that there is more at stake than instruction in traditional modes of public discourse because democratic culture encompasses a variety of situations, private or public, civic or professional, where people must cooperate in the work of advancing a common project. What prepares people to intervene constructively in such situations is instruction in those rhetorical practices of democratic interaction that is implicit throughout Dewey's work. Dewey's writing provides a rich framework on which a distinctly American tradition of a democratic rhetorical practice can be built—a tradition that combines the most useful

concepts of classical rhetoric with those of modern progressive civic engagement. Jackson and Clark believe Dewey's practice takes rhetoric beyond the traditional emphasis on political democracy to provide connections to rich veins of American thought such as individualism, liberalism, progressive education, collectivism, pragmatism, and postindustrial science and communication. They frame Dewey's voluminous work as constituting a modern expression of continuing education for the "trained capacities" required to participate in democratic culture. For Dewey human potential is best realized in the free flow of artful communication among the individuals who together constitute society. The book concludes with an afterword by Gerard A. Hauser, College Professor of Distinction in the Department of Communication at the University of Colorado Boulder. The Fire This Time Jesmyn Ward 2016-08-02 "Ward takes James Baldwin's 1963 examination of race in America, The Fire Next Time, as a jumping off point for this ... collection of essays and poems about race from ... voices of her generation and our time"--

Almos' a Man Richard Nathaniel Wright 2000-01-01 Richard Wright [RL 6 IL 10-12] A poor black boy acquires a very disturbing symbol of manhood--a gun. Theme: maturing. 38 pages. Tale Blazers.

If Beale Street Could Talk James Baldwin 2013-09-17 In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions--affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.
