**How to Be a (Young) Antiracist** Ibram X. Kendi 2023-01-31 The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, How to be a (Young) Antiracist will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller How to be an Antiracist by Ibram X. Kendi is shaping the way a generation thinks about race and racism. How to be a (Young) Antiracist is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, How to be a (Young) Antiracist empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so.

Dark Money Jane Mayer 2017-01-24 NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of The Dark Side, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change

been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy. National Book Critics Circle Award Finalist LA Times Book Prize Finalist PEN/Jean Stein Book Award Finalist Shortlisted for the Lukas Prize

All The Devils Are Here David Seabrook 2014-07-03 Twenty years ago, in a series of mysterious, incandescent writings, David Seabrook told of the places he knew best: the declining resort towns of the Kent coast. The pieces were no advert for the local tourist board. Here, the ghosts of murderers and mad artists crawl the streets. Septuagenarian rent boys recall the good old days and Carry On stars go to seed. Clandestine fascist networks emerge. And all the time, there is Seabrook himself - desperate perhaps, and in danger. Dark, strange and immediate, this is a classic work of sui generis British literature. There are devils here, and the reader will remember them.

*National Library Service Cumulative Book Review Index, 1905-1974: Authors.* [A-Z National Library Service Corporation 1975

Long Walk to Freedom Nelson Mandela 2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Angela's Ashes Frank McCourt 2007 Extensive reading improves fluency and there is a real need in the ELT classroom for motivating, contemporary graded material that will instantly appeal to students. Angela's Ashes is based on the bestselling novel by Frank McCourt.

**The Secret Diary of Adrian Mole, Aged 13 3/4** Sue Townsend 2018-01-02

British adolescent angst has never been so "laugh-out-loud funny" as in this first encounter with a sharp-witted, pining, and achingly honest underdog (The New York Times). Perhaps when I am famous and my diary is discovered, people will understand the torment of being a 13¾-year-old undiscovered intellectual. Adrian Mole is approaching fourteen, and like all radical intellectuals he must amass his grievances: His acne vulgaris is grotesque; his crush, Pandora, received seventeen Valentine's Day cards; his PE teacher is a sadist; he fears his parents' marriage is over since they no longer smoke together; his dog has gone AWOL; no one appreciates his poetry; and Animal Farm has set him off pork for good. If everyone were as appalled as Adrian Mole, it would be a better world. Introducing "one of literature's most endearing figures": a luckless adolescent of great expectations and dwindling patience who knows all--or believes he does--and tells all (The Observer). First published in 1982, Adrian's chronicle of angst has sold more than twenty million copies worldwide, spawned seven sequels, and been adapted for television and staged as a musical. Here's where it all began.

**Economic Security: Neglected Dimension of National Security ?** National Defense University (U.S.) 2011-12-27 On August 24-25, 2010, the National

Defense University held a conference titled "Economic Security: Neglected Dimension of National Security?" to explore the economic element of national power. This special collection of selected papers from the conference represents the view of several keynote speakers and participants in six panel discussions. It explores the complexity surrounding this subject and examines the major elements that, interacting as a system, define the economic component of national security.

Karloff and the East Scott Allen Nollen 2021-01-13 Among Golden Age Hollywood film stars of European heritage known for playing characters from the East--Chinese, Southeast Asians, Indians and Middle Easterners--Anglo-Indian actor Boris Karloff had deep roots there. Based on extensive new research, this biography and career study of Karloff's "eastern" films provides a critical examination of 41 features, including many overlooked early roles, and offers fresh perspective on a cinematic luminary so often labeled a "horror icon." Films include *The Lightning Raider* (1919), 14 silent films from the 1920s, *The Unholy Night* (1929), *The Mask of Fu Manchu* (1932), *The Mummy* (1932), John Ford's *The Lost Patrol* (1934), the Mr. Wong series (1938-1940), *Targets* (1968), and *Isle of the Snake People* (1971), one of six titles released posthumously.

*The UFO Files* David Clarke 2013-03-30 'What does all this stuff about flying saucers amount to? What can it mean? What is the truth?' Winston Churchill, prime minister's personal minute, 28th July 1952 *The UFO Files* tells the story of over 100 years of UFO sightings, drawing on formerly secret government documents at the National Archives in London. Alongside extraordinary reports by ordinary people, it reveals details of official interest and investigations stretching back more than 80 years. In this remarkable book, fully updated for this second edition, David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign, the secret British Intelligence UFO study completed in 2000. As well as covering Roswell and Britain's own Rendlesham Forest mystery, Clarke raids the records for dramatic stories of abductions and close encounters, ghost aircraft and crop circles, and UFO reports by both civilian aircrew and military personnel. Dramatic witness statements and interviews combine with rarely seen photographs, drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries.

*Immediatism* Hakim Bey 1994 An irresistible tome from the insurrectionist theoretician, Hakim Bey. His incendiary words are beautifully illustrated by the renowned collage artist Freddie Baer. The result is a delightful compilation by two talented artists. A must read for those who have followed their work for years. In this collection of essays, Bey expounds upon his ideas concerning radical social reorganization and the liberation of desire. *Immediatism* is another lyrical romp through intellectual corridors of spirituality and politics originally set forth in his groundbreaking book, *TAZ*. A stunning achievement from this prodigious author and scholar. "A Blake Angel on Acid."--Robert Anton Wilson "Fascinating..."--William S. Burroughs "Exquisite..."--Allen Ginsberg

A Life Through the Lens Alan Hume 2004-05-05 In a career spanning six decades, director of photography Alan Hume has worked on over 100 films and

television shows and progressed through the ranks from a young clapper boy to one of the best lighting cameramen in the business. From early films with David Lean, through the popular Carry On series, Amicus horror, four James Bonds, Star Wars: Return of the Jedi, A Fish Called Wanda, Shirley Valentine, Stepping Out, and others, Alan Hume has worked alongside some of the most acclaimed directors and producers and biggest film stars. The memoir, from his evacuation as a child in World War II to his retirement, includes a collection of rare photographs, both in front of and behind the camera. He explains technical details and insights of the industry while divulging anecdotes about celebrities and filmmaking. It concludes with a summary of the technological changes throughout his career and to the present, and a full filmography. With great good humor, Hume offers an incomparable tour behind the camera.

The National Corporation Reporter 1911

**The Murder of Lord Shaftesbury** Michael Litchfield 2016-03 The scandalous debauchery of the playboy tenth Earl of Shaftesbury sent seismic shock waves through the British aristocracy. One of the richest men in the country and master of a Downton Abbey-style dynasty, he abandoned his loyal wife and two sons for a depraved life of drunken orgies, cocaine and bed-hopping with Continental whores. His riotous romp plumbed the depths when he divorced the mother of his children to marry a foreign prostitute, installing her as the new, grand Countess of Shaftesbury, making her the female figurehead of an historic family revered for centuries for its probity and charity. Incredibly, he flirted with more prostitutes and set about divorcing his whore-countess in order that another of his stable of swingers could acquire the ancient and noble title. But ugly fate caught up with him first. After being reported missing, his skeletal remains were found several months later among household rubbish in what had once been a beauty spot just outside Cannes, on the ritzy French Riviera. The Countess and her psychopath brother were convicted of the premeditated murder, committed in a desperate attempt to retain the titled status and a lion's share of the inheritance before the Earl had changed his will. Hollywood superstars and a reigning monarch were even cited at the trial. But the full, tawdry story has never been told - until now. People privy to the Earl's darkest secrets have been tracked down and for the first time have filled in the vital gaps that were never revealed at the trial or have ever been published before. In this meticulously researched book, the author has unearthed truths beyond the most warped imagination.

**Democracy and Philanthropy** Eric John Abrahamson 2013-10

The Pinks Chris Enss 2017-07-01 The true story of Kate Warne and the other women who served as Pinkertons, fulfilling the adage, "Well-behaved Women Seldom Make History." Most students of the Old West and American law enforcement history know the story of the notorious and ruthless Pinkerton Detective Agency and the legends behind their role in establishing the Secret Service and tangling with Old West Outlaws. But the true story of Kate Warne, an operative of the Pinkerton Agency and the first woman detective in America—and the stories of the other women who served their country as part of the storied crew of crime fighters—are not well known. For the first time, the stories of these intrepid women are collected here and richly illustrated throughout with numerous historical photographs. From

Kate Warne's probable affair with Allan Pinkerton, and her part in saving the life of Abraham Lincoln in 1861 to the lives and careers of the other women who broke out of the Cult of True Womanhood in pursuit of justice, these true stories add another dimension to our understanding of American history.

Gordons of Lochinvar Forrest T. Tutor 2008 The Gordons of Lochinvar descend from a notable Scot family and later were successful landowners in Chickasaw Indian Territory, which became North Mississippi. The book describes the life of James Gordon and his parents Robert and Mary Elizabeth from mid-nineteenth century to turn of the twentieth century America. It describes Colonel James Gordon's experiences during the Civil War, and transcribes his noteworthy address to the United States Senate long after Reconstruction shattered his fortune. Included are many of James Gordon's own poetry and hunting short stories, and Robert Gordon's diary entries from several years prior to the War Between the States.

*Monopoly of Force* Michael Miklaucic 2011 Disarmament, Demobilization, and Reintegration (DDR) and Security Sector Reform (SSR) have emerged in recent years as promising though generally poorly understood mechanisms for consolidating stability and reasserting state sovereignty after conflict. Despite the considerable experience acquired by the international community, the critical interrelationship between DDR and SSR and the ability to use these mechanisms with consistent success remain less than optimally developed. The chapters in this book reflect a diversity of field experience and research in DDR and SSR, which suggest that these are complex and interrelated systems, with underlying political attributes. Successful application of DDR and SSR requires the setting aside of preconceived assumptions or formulas, and should be viewed flexibly to restore to the state the monopoly of force.

Shadowland Douglas Thompson 2011-10-14 Shadowland is a revelatory and dramatic true-life thriller spanning much of the twentieth century, a page-turning chronicle of an elaborate Mafia plan to 'invade' Europe using 1960s London as a bridgehead. The capital city of the Swinging Sixties was also a world of gambling, guns and gangsters. Several veterans of the era are astonished that they survived it and some feel protected enough - now that most of the killers are themselves dead - to reveal to bestselling author Douglas Thompson the details and secrets of one of history's greatest criminal conspiracies, and of how world-champion boxer Freddie Mills really died. The tension in this real-life narrative is ferocious as the tale moves from London to New York and Las Vegas, down to Miami, into Havana, then on to the Bahamas and back to an unexpected denouement in London. Brutal, terrifying and intrigue-packed, it is an account of the Mob's Machiavellian global manipulation of governments and officials. Shadowland recounts events from the viewpoint of the pawns as well as the kingmakers. All the big players of Mafia history are here, controlled by the gangster genius Meyer Lansky, but so are the hit men, the fixers, the hoodlums and the wiseguys.

The Secret Life of Freddie Mills Michael Litchfield 2017-09 Seven young women, all murdered in the most disgusting manner imaginable. Unimaginable, in fact: a first of its kind, and never before explicitly revealed. All the victims were prostitutes. All were dumped naked after having been stored by their killer as sex toys. Some of them were mothers. Each was someone's

daughter. And for more than fifty years the author has lived with the haunting secret that he was once suspected by Scotland Yard of being a serial killer more depraved and dangerous than Jack the Ripper. In the killing-spree that lasted more than a year, the author had a mole deep inside Scotland Yard's Murder Squad, similar to "Deep Throat" of Watergate scandal, who was drip-feeding him the step-by-step ploys to snare the monster who brought terror to the streets of West London. Hundreds of police women, posing as prostitutes, flooded the red-light districts, hoping to be selected by the killer - more hopeful, though, that the back-up would swoop to the rescue in time. At one point, Scotland Yard feared that a prostitute, missing for more than a fortnight, had become the eighth victim and appealed to the public for help. It took the author just eleven hours to track her down and hand her alive and well to the Murder Squad. When the killings stopped, the most senior member of the Murder Squad claimed that the serial killer had committed suicide and an innocent man was named in a deceitful cover-up. The author fingers the real serial killer, a celebrity and national treasure who died in circumstances arguably even more bizarre than the manner in which he murdered his victims.

*Bowker's Complete Video Directory* 1992

Trailer Girl and Other Stories Terese Svoboda 2001-02-09 "I talk like a lady who knows what she wants" is how the vagrant begins her story in "Trailer Girl". As she struggles to rescue what she says is a wild girl hiding in the gully, the neighbors become more certain than ever that the child is imaginary--until there's a murder. Stark and disturbing, "Trailer Girl" is the story of cycles of child abuse and the dream to escape them. In "Psychic", a clairvoyant knows she's been hired by a murderer, in "Leadership" a tiny spaceship lands between a boy and his parents, in "Venice", a woman performs the Heimlich maneuver on an ex-husband, then flees by gondola, and in "White", a grandfather explains to his grandson how a family is like a collection of chicken parts. Frequently violent, always passionate, these often short short stories are full-strength, as strong and precise as poetry.

Films and Filming 1964

Freedom in the World 2011 Freedom House 2011-11 Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 194 countries and 14 territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. The Freedom in the World political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.

Fearless Freddie Chris Evans 2017-09-01 Fearless Freddie charts the career of pugilist Freddie Mills, who became the biggest name in British boxing, a television star in the 1950s only to commit apparent suicide in 1965. Freddie was a boxing superstar at a time when the country was still trying to pick up the pieces in the aftermath of the Second World War. A natural entertainer, he embarked on a successful media career long after his days in the ring came to an end, paving the way for other sports stars to do the same in future. However, there was a darker side to Mills. His nightclub brought him into contact with notorious London gangsters. Constantly plagued by depression and money worries, the death of Freddie remains a mystery. Since his death, conspiracy theories aplenty have been peddled about how and why Freddie was found in the back of a car, having shot himself through his right eye. Could a man who had it all really take his own life or was there something more sinister afoot?

**Grave Misfortune: The USS Indianapolis Tragedy** Richard A. Hulver 2019-06-03 Dedicated to the Sailors and Marines who lost their lives on the final voyage of USS Indianapolis and to those who survived the torment at sea following its sinking. plus the crews that risked their lives in rescue ships. The USS Indianapolis (CA-35) was a decorated World War II warship that is primarily remembered for her worst 15 minutes. . This ship earned ten (10) battle stars for her service in World War II and was credited for shooting down nine (9) enemy planes. However, this fame was overshadowed by the first 15 minutes July 30, 1945, when she was struck by two (2) torpedoes from Japanese submarine I-58 and sent to the bottom of the Philippine Sea. The sinking of Indianapolis and the loss of 880 crew out of 1,196 --most deaths occurring in the 4-5 day wait for a rescue delayed --is a tragedy in U.S. naval history. This historical reference showcases primary source documents to tell the story of Indianapolis, the history of this tragedy from the U.S. Navy perspective. It recounts the sinking, rescue efforts, follow-up investigations, aftermath and continuing communications efforts. Included are deck logs to better understand the ship location when she sunk and testimony of survivors and participants. For additional historical publications produced by the U.S. Naval History and Heritage Command, please check out these resources here: <https://bookstore.gpo.gov/agency/naval-history-heritage-command> Year 2016 marked the 71st anniversary of the sinking and another spike in public attention on the loss -- including a big screen adaptation of the story, talk of future films, documentaries, and planned expeditions to locate the wreckage of the warship.
