It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.

By means of an ideological and rhetorical analysis of scientific as well as literary texts, she shows how the rhetoric of sickness provided the male decadent writer with an alibi for the occupation and appropriation of the female body.

Mock Politeness in English and Italian Charlotte Taylor 2016-10-06 This volume presents an in-depth analysis of mock politeness, bringing together research from different academic fields and investigating a range of first-order metapragmatic labels for mock politeness in British English and Italian. It is the first book-length theorisation and detailed description of mock politeness and, as such, contributes to the growing field of impoliteness. The approach taken is methodologically innovative because it takes a first-order metalanguage approach, basing the analysis on behaviours which participants themselves have identified as impolite. Furthermore, it exploits the affordances of corpus pragmatics, a rapidly developing field. Mock Politeness in English and Italian: A corpus-assisted metalanguage analysis will be of interest to scholars and postgraduate students researching im/politeness and verbal aggression, in particular those interested in im/politeness implicatures and non-conventional meanings.

The Wee Italian Girl Serafina Crolla 2022-05-31 An ancient way of life. Living with nature and the seasons. Moving from high mountain to plain. The cleanest air and water, the purest food and wine. The beloved grandmother she will leave behind as her parents head for the factory floors and restaurant kitchens of 1950's Edinburgh. An immigrant's tale but also a record of a simpler life. At one time negated and cast aside and now more than ever sought out and admired. The Wee Italian Girl is a document for many Scottish Italians who, apart from picturesque villages and majestic mountains wish to really know from whom and where they came.

Imagining the Woman Reader in the Age of Dante Elena Lombardi 2018-05-11 Imagining the Woman Reader in the Age of Dante brings to light a new character in medieval literature: that of the woman reader and interlocutor. It does so by establishing a dialogue between literary studies, gender studies, the history of literacy, and the material culture of the book in medieval times. From Guittone d'Arezzo's piercing critic, the 'villainous woman', to the mysterious Lady who bids Guido Cavalcanti to write his grand philosophical song, to Dante's female co-editors in the Vita Nova and his great characters of female readers, such as Francesca and Beatrice in the Comedy, all the way to Boccaccio's overtly female audience, this particular interlocutor appears to be central to the construct of textuality and the construction of literary authority. This volume explores the figure of the woman reader by contextualizing her within the history of female literacy, the material culture of the book, and the ways in which writers and poets of earlier traditions imagined her. It argues that these figures are not mere veneers between a male author and a 'real' male readership, but that, although fictional, they bring several advantages to their vernacular authors, such as orality, the mother tongue, the recollection of the delights of early education, literality, freedom in interpretation, absence of teleology, the beauties of ornamentation and amplification, a reduced preoccupation with the fixity of the text, the pleasure of making mistakes, dialogue with the other, the extension of desire, original simplicity, and new and more flexible forms of authority.

The Moon Maria Mondin 2014-03-09 Introduction Written by the illustrator Barbara Pelizzoli  
Recently my mother invited me to illustrate a children's poem. After reading the manuscript, those starry nights when my mom would recite this poem to us children, came back to mind. I never tired of listening to it as the poem always enchanted me. It is with great honor that now, after many years, I present to this generation a timeless poem. I humbly portray these sweet words with my art, hoping to inspire tenderness in the souls of the youngsters and bring them beautiful dreams in these starry nights. This poem, so dear to me, it is now for you. "The Moon" by Mamma Maria  
My children dear, come close, come near. I want to tell you why from up in the sky the Moon's face so bright shines in the sea at night.

Translating Style Tim Parks 2014-06-03 Arising from a dissatisfaction with blandly general or abstrusely theoretical approaches to translation, this book sets out to show, through detailed and lively analysis, what it really means to translate literary style. Combining linguistic and lit crit approaches, it proceeds through a series of interconnected chapters to analyse translations of the works of D.H. Lawrence, Virginia Woolf, James Joyce, Samuel Beckett, Henry Green and Barbara Pym. Each chapter thus becomes an illuminating critical essay on the author concerned, showing how divergences between original and translation tend to be of a different kind for each author depending on the nature of his or her inspiration. This new and thoroughly revised edition introduces a system of 'back translation' that now makes Tim Parks' highly-praised book reader friendly even for those with little or no Italian. An entirely new final chapter considers the profound effects that globalization and the search for an immediate international readership is having on both literary translation and literature itself.

Vittorio De Sica Stephen Snyder 2000-01-01 Recognized as a master of Italian cinema, Vittorio De Sica is perhaps best known and most respected for his critically acclaimed neorealist films of the period 1946-55. As this anthology reveals, however, his production was remarkably multifaceted. The essays included here - some newly commissioned, some reprinted, and others in translation - look at De Sica's varied career from many perspectives. Structured chronologically, the volume begins by introducing readers to De Sica's early popularity as an actor and singer during the years of Italian Fascism, and to his initial directorial efforts before the end of World War II. It was not until the postwar era, however, that De Sica made his mark in film history. Special attention is given to this critical phase of his career, which encompasses the neorealist films that made him famous: "Shoeshine", "Bicycle Thieves", "Miracle in Milan", and "Umberto D." When the neorealist movement waned after 1955, De Sica returned to his roots in Neapolitan comedy for a series of commercially successful films starring Sophia Loren and Marcello Mastroianni. Memorable works from this period include "Two Women" and "Marriage Italian Style" as well as "Yesterday, Today, and Tomorrow", which won De Sica an Academy Award in 1965. In one of his final films, "The Garden of the Finzi Continis", he returned to the subject of World War II and to the human tragedy characteristic of his best neorealist productions. This fine anthology offers a comprehensive critical survey that covers the entire scope of De Sica's career, and is an excellent resource for students, critics and film enthusiasts.
