Le teorie drammatiche e la tragedia in Italia nel secolo XVIII. Alfredo Galletti 1901

Opera in Seventeenth-Century Venice Ellen Rosand 2007-10-09 "In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness."—Andrew Porter "This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general."—Lorenzo Bianconi

Decadent Genealogies Barbara Spackman 2018-03-15 Barbara Spackman here examines the ways in which decadent writers adopted the language of physiological illness and alteration as a figure for psychic otherness. By means of an ideological and rhetorical analysis of scientific as well as literary texts, she shows how the rhetoric of sickness provided the male decadent writer with an alibi for the occupation and appropriation of the female body.

Patria e colonie 1913

The Complete Pelican Shakespeare William Shakespeare 2002-10-01 This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship. Each play and collection of poems is preceded by a substantial introduction that looks at textual and literary-historical issues. The texts themselves have been scrupulously edited and are accompanied by same-page notes and glossaries. Particular attention has been paid to the design of the book to ensure that this first new edition of the twenty-first century is both attractive and approachable.
