A group of off-planet pirates raise her suspicion, but the whole mission is endangered when her cover is blown by an Ezak-X pirate. When the Ezak-X offers to help her instead of blowing the whistle, Kira realizes she could use an inside man. She immediately regrets her decision when she starts working with Xeeagan. The Ezak-X is annoying and reckless. But although he gets on Kira's nerves, she can't deny the way he makes her heart thrum... From a life in captivity to a life as a pirate... Xeeagan has fought to survive since day one. He trusts no one, least of all the Alliance. But when a group of off-planet pirates offer him a job that seems too good to be true, and his acquaintance goes missing, the human female working for the Alliance might just be the key to finding out what's going on.
